Postum supplies satisfaction and safety, both. No need to deny yourself the pleasure of this fragrant, invigorating cup through fear of nervous disturbance afterward. Postum is rich and comforting, and there's nothing in it that can harm anybody.

Why not follow the example of the thousands who have left off the risks of coffee, for the assured satisfaction and safety of Postum?

Your grocer sells Postum in two forms: Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer to make the drink while the meal is being prepared; made by boiling fully 20 minutes.
