A Farmer Cured of Rheumatism

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Liniment and told him to use it freely," says C. P. Snyder, Patten Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, give me another bottle of Chamberlain's Liniment. I want it in the house all the time for it cured me."—Adv.

DEDUCTION

Detroit News: Dr. Watson—"What wit like the young girls wearing short hair and knickers it's hard to tell them from boys."

Holmes—"On the contrary, my dear Watson, the problem is quite simple. If the young person is washed behind the ears it's a girl."

"Mighty Oaks from little acorns grow"

If you plant an acorn in proper soil, you have a good chance of getting an oak. If you plant a dollar in a savings account at 4 per cent. interest you will have two dollars in seventeen years. You wouldn't have much of an oak in that time.

Your dollars, planted in this bank, will grow swiftly, surely and safely.
