NORTH POWDER GIRL IS DEAD

(Special to The Observer) NORTH POWDER, April 12.—The town was shocked on the evening of April 12 by the news of the sudden death of little Wanda Pearson. Wanda had been sick for some days but it was not thought to be serious until Tuesday morning when it was decided to take her to Baker to the hospital for an operation. She was taken to Baker in the morning but it was too late and she died in the afternoon.

Wanda Pearson was the eldest daughter of Mr. and Mrs. Charles Pearson. She leaves to mourn her loss, her father, mother, two brothers and a sister besides many relatives and friends. She was a regular attendant to the public school where she was in the second grade. She was a favorite with teacher and pupils because of her goodness.

She had been a patient sufferer for some time as she had never had good health but she never complained. She will be missed from the school and the home, and the parents have the deepest sympathy of all in their sad bereavement.

Auto Collision Willie Mayer and his family were riding through the streets of Baker on Sunday afternoon a car driven by a woman ran into them. Both cars were damaged a great deal but fortunately none of the occupants of either car were hurt. Unless something is done to check the reckless driver it will not be safe to start out without a heavy insurance on the life of all riding in the car as well as the car itself. There is always speed fiends and they are found in town as well as country.

Mr. and Mrs. Chris Peterson and Mr. Graff, of the North Powder News were business visitors in Baker on Tuesday afternoon. After a week of rain and storm the farmers are busy putting out their crops. In the Wolf Creek section the ground is so wet that it will be several days before it will be dry enough to farm. In other places the farming is being done with tractors and ground is being turned over in a hurry. Farmers are anxious to get in their spring grain.
