JUNIORS WIN UNION MEET

UNION, Apr. 14. (Special).—The school track meet planned for last Saturday was postponed on account of rain and was held Tuesday. The high and grade schools dismissed at 1 o'clock for the event. In the school captured two-thirds of the points were captured by the Juniors, with the Seniors second. Sophomores gathered in a few scores, but the Freshmen, although they participated in several stunts, failed to get into the scoring company. Superintendent Conklin and some of his teachers acted as judges. One feature of the meet which was new was the races by grade boys. From the first grade up they took part in the 100 yard dash and the upper grades also staged a half mile relay. Following is the order of events as they were pulled off and the five-point man for each event:

100 yard dash, Bates, senior; pole vault, Cecil Caster, senior; mile run, Halsey, senior; broad jump, Gilmore, junior; high hurdle, Gilmore, junior; 440 yard dash, Bates, senior; high jump, Gilmore, junior; 220 yard dash, Bates, senior; shot put, Callahan, junior; 880 yard dash, Bates, senior; discus throw, Hansen, junior; low hurdle, Gilmore, junior; javelin, Crossland, junior.

Owing to the lateness of the hour and the fact that the boys were tired from so much running, no relay was staged by the high school. One or two other events were doubtful and Coach Morgan may run those off later. The dual meet with LaGrande coming so soon after this meet, it was thought best not to have the boys overdo the running, but rest up for Saturday. According to the score sheets, Bates was high point man, with 24 points, and Gilmore next with 23. Totals by classes were: Juniors 92, Seniors 43, and Sophomores 14.

SEASON OPENS TOMORROW

Anglers are busy today going over their fishing equipment in preparation for a first try at the members of the finny tribe that make their home in nearby streams and rivers tomorrow—the fishing season officially opening at sun-up Sunday morning.

Five Points Creek, Beaver Creek, Ladd Creek, in Union county, and a portion of Walla Walla river, above the lake, are closed to fishermen tomorrow.

Trackmeet On

As the Observer goes to press today the track and field teams of Union and La Grande high schools are fighting out their supremacy on the local fairgrounds. A large crowd is in attendance expecting to see La Grande athletes emerge victorious. Little is known of the Union team as no official time was recorded at a recent interclass track team held in that city.

The Blue and White team had a light workout last evening at the fairgrounds and appear to be in first class condition today.

YANKEES ARE ACTIVE IN ENGLISH SPORTS

CAMBRIDGE, Apr. 14.—The Americans at Cambridge have been engaged in a variety of athletic activities during the recent Lent term. The old Princeton golfers, T. J. E. Pulling of Trinity and W. B. Todd of Jesus, have been awarded their Blues. A. Z. Gardner (Harvard and Trinity) played in several of the golf matches, and narrowly missed winning a place on the team.

D. A. D. Simpson (Groton School

and Trinity) was awarded his boxing Blue for the second time, although in the Oxford match he was defeated by Eagan, the old Yale athlete.

J. H. Van Alen (St. George's School and Christ), who won his Blue at tennis last year, has played in several of the early tennis matches, and also won his place on the Court Tennis Team.

J. B. Millard (Princeton and Trinity Hall), was one of the stars of the varsity Lacrosse Team, and was awarded his Blue.

D. K. Key (Harvard and Caius), was one of the runners-up in the University Fives Championship, and has reached the final round of the Squash-Rackets Championship, which he is expected to win.

F. W. Hillis (Yale and Trinity), won the Handicap Mile in the Inter-College Sports.

H. R. Atkinson (Harvard and Trinity) and J. Menken (Columbia and Emmanuel) have spoken at the Union.

W. C. Minor (Yale and Magdalen), F. H. Buckrall (St. Paul's School and Corpus Christi) and A. P. Stokes (St. Paul's School and Corpus Christi), took part in the Harlowe Society's production of "Volpone." W. R. Biggs (Yale and Trinity), and E. A. Weeks (Harvard and Trinity) have contributed to the undergraduate publication.

That reactor who says the prosperity of any section depends on the publicity it gets isn't thinking of the Ruhr.

One trouble with the movies is that too many heroines are taking heroin.

Trouble with saying it with flowers is you have to keep repeating.

SPORT BRIEFS

METIGUE COMING
NEW YORK, Apr. 14.—Mike Metigue, world's light heavyweight champion, announced in a cablegram Friday that he had refused an offer of \$75,000 to box Georges Carpentier in London on May 29. He said he would sail for America early in May.

Joseph Jacobs, Metigue's manager, said negotiations were under way for a match between Metigue and Carpentier in this country some time in June.

SET TRAPSHOOT RUN
HOUSTON, Tex., Apr. 14.—Homer Clark, professional trapshot of East Alton, Ill., set what is thought to be a new world record run for one day's shooting at registered targets when he broke 195 targets in succession here Friday in the third day's program of the sunny south.

FISH FLY FACTORY IS ESTABLISHED

SPOKANE, Wash., April 13.—Anglers will have an opportunity to see what fish in the streams in this part of the country think of north-west products now that a factory has been established in Spokane for the manufacture of flies. The local enterprise which is competing with eastern, English and Scotch firms, has grown 700 per cent in the last two months.

The factory occupies a balcony in the front part of a hardware store where large show windows give ample light for the delicate work. It is equipped to produce more than 200 different patterns of flies, including several originated by the company.

One-third of the material used in manufacture, comes from Spokane. Other materials entering into the manufacture are hooks from Christiana, Norway, and Hedrich, England, gut imported from Madrid, Spain, and feathers, silk and incidental trimmings secured locally. Feathers of the Mallard duck, Rhode Island Red rooster, Plymouth Rock rooster and peacock enter largely into the manufacture of the flies.

WOMAN 57, IS BRIDE

OREGON CITY, Apr. 13.—Claude Monroe Richardson giving his age as 38 years and Mrs. Mary A. Hess, giving her age as 57, both of Marmot Clackamas county, were granted a marriage license by County Clerk Fred Miller this afternoon. Mrs. Hess' mother, Mrs. Nancy E. Platt, was a witness for the applicants.

INSTITUTE NEARLY FINISHED

SAN FRANCISCO, April 14.—The \$1,000,000 Catholic center of the Young Men's Institute will be completed here in time to house the eight-day festival of the Y. M. I. and the Y. L. L. councils of San Francisco, May 12-19. It has been \$100,000 to outfit the new gymnasium building.

BASEBALL BUGS BUSY AT BAKER

BAKER, Apr. 14.—The nice weather of the past few days is having its effect on the local ball players as each evening a good crowd of enthusiasts are out "rounding into form." Besides several new faces many of last year's stars were out, including Fosbury, Bates, Greer, Baker and Grant. Manager G. T. Hunt is very optimistic over the ball situation this year, looking forward to a successful season. Next Sunday afternoon at 2 o'clock all the players are requested to be out at the Valley avenue grounds for a general workout.

Workmen are busy preparing the new grounds near the Nat and began the work of tearing down the old grand stand today and will soon rebuild it at the new park.

Drink Water If Back or Kidneys Hurt

Begin Taking Salts if You Feel Backache or Have Bladder Weakness

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poison, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels often get irritated, obliging one to get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine and bladder disorders disappear.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.
