Delegations of Union county Endeavorers are expected at the state Christian Endeavor convention in The Dalles, April 26-29, according to plans of the Oregon State C. E. Union.

This convention will be the sister "covenant" convention to the one in Ashland, April 19-22. It will emphasize the Christian Endeavor pledge throughout. This convention will hold the distinction of having two secretaries of the United Society of Christian Endeavor on the program. Clarence C. Hamilton of Boston, national field secretary, and Paul C. Brown of San Francisco, Pacific coast secretary, will give addresses and also lead several conferences.

Paul K. Abrahamsen of The Dalles will deliver the address of welcome, Donald Nelson of Portland will respond. Other speakers include the Rev. Loyd Garrick, former state president and present chairman of the committee to secure the 1925 world's C. E. convention at Portland; Fred Gray, Congregational young people's secretary for Oregon, Washington and Idaho; the Rev. Walter Myers, of Eugene Bible university; Elaine Cooper of Portland, state C. E. president; Hulda Anderson of La Grande, and Kate Bothman of Banks.

Mrs. W. E. Wright, former song-leader for Billy Sunday, and leader in several other C. E. conventions, will be the song-leader for this convention.

Special music, Bible study, graded Christian Endeavor, high school boys and girls, and a sight-seeing trip up the Columbia highway toward Pendleton will be features of the program.

The Dalles convention will be attended by young people of various denominations from 27 northern and eastern counties of Oregon.

Preventative Medicine.

The tendency of medical science is toward preventative measures. It is easier and better to prevent than cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle.—Adv.
