### OFFICE CAT

BY JUNIUS

We have yet to find a man who is good at football and grammar at the same time.

The strut of a turkey gobbler isn't in it with that of the leading citizen in a village.

They say a cat has nine lives, but a frog croaks every night, curly remarks Antos Tash.

In vain to comfort I'm inclined, In vain I seek to grin, A load of coal is on my mind, Instead of in the bin.

#### SAVED

Mother—Sam, you've been fighting again! You've lost four front teeth! Sam (taking a little package from his pocket)—No, I ain't mother, here they are!

You can explode a theory and you can pull a lie, but you can't drown a rumor, because it floats, thinks Cy Koinsky.

The reason there is so much lawlessness, in La Grande man has discovered, "is because there are so many laws."

#### AIN'T IT THE TRUTH?

Needed inventions—a telephone book with wrong numbers to call when you want the right ones.

Every argument has two sides, until we take one. Then the other side disappears.

The pen may be mightier than the sword, but France doesn't believe it.

### SULPHUR CLEARS ROUGH, RED SKIN

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.

A local woman says in her opinion the crown of a woman's glory is not her hair but her ability to get the last word.

#### "HOW ARE YOUR EARS?"

Did you ever hear a light squeak? Did you ever hear a close call? Did you ever hear a muffled appeal? Did you ever hear muffled silence? Did you ever hear a silent call?

"About the only way to secure safety on the highways," observes a local motorist, "is to keep off of them."

There's nothing in a name, Sam

Sleeper was a somnambulist, and Joe Crowley could sit up all night without batting an eye.

A man who will eat scrambled eggs in a cheap restaurant is a real hero.

A bunch of girls residing at Elgin have organized a Podge club. We merely wondered if there are any nuts among them.

When a girl accepts a ride in an auto he is justified in thinking just what you do.

#### A Farmer Cured of Rheumatism

"A man living on a farm near here came in a short time ago completely doubled up with rheumatism. I handed him a bottle of Chamberlain's Liniment and told him to use it freely," says C. P. Rayder, Patten Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Liniment; I want it in the house all the time for it cured me.'"—Adv.

## Klearflax

Linen Rugs and Carpeting

All-over carpeting is enjoying a great vogue as it has ideal background qualities. It gives a charm of spaciousness, and dignity even to small rooms. Klearflax linen carpeting is being widely used both in homes and public buildings. It is chosen for its lovely colors in single tones and Picwick mixtures. There is tremendous wear resistance in its heavy, thick, reversible body that lies flat on the floor. In texture it has a new linen roughness that grows finer and softer with wear. See Klearflax rugs and carpeting in our rug department.
