DOES YOUR BACK ACHE

It's usually a sign of sick kidneys, especially if the kidney action is disordered: messages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this La Grande man's testimony.
 C. W. Cain, 149 T St., says: "I keep Doan's Kidney Pills on hand all the time. My kidneys were weak and I had attacks of backache and soreness across the small of my back that made it hard for me to stoop. The action of my kidneys was too free, too, but Doan's from the Red Cross Drug Store always relieved these attacks by strengthening my back and kidneys and benefiting me in every way. If I have any sign of the trouble, I depend on Doan's." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Cain had. TELEGRAMS ARE DISTURBING TO MOST PEOPLE

(Continued from page 1)

message was equal to the occasion, however, for he found restoratives and applied them and called a doctor. Then there was the tale of the old woman who had an unholy fear of a telegram, and when a certain one was delivered at her door refused to even so much as touch it. She ordered the boy to open and read it and, upon finding that it was a request from her son for \$50, made out a money order and gave it to the boy, still refusing to touch the communication.

"Why did you wake me for a little thing like that?" was the only thanks a messenger received for delivering a night telegram to a father announcing that the man's only daughter had run away to be married. It needs no very vivid imagination to picture the pleasure (and secret chagrin?) of the young woman in a distant city to whom was sent a love-telegram of 500 words from the young man of her choice, who explained therein and with numerous endearing terms that he had been too busy to write a letter.

"Straight To Virginia." Birthdays or holiday greetings and death announcements are always delivered, never telephoned, and the older hands at the game tell of the days when the messages were sent in long hand instead of in the typed form of the present time. Suspicion and doubt were not infrequently expressed, as the chirography was strange and "didn't look a bit like Sarah's (or Jim's or Mary's) handwriting."

Showers in April, double-headed in May.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Weyth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't stay gray! Try it! No one can possibly tell you how darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
