SHERRY'S

There seem to be no limit to Harry Carey's capacity to make each of his succeeding pictures better than the last.

"Crashin' Thru" brings Carey back to the screen in the sort of role that has made him the idol of millions.

The romantic element of the picture is carried through the ranch owner Carey and his housekeeper's daughter—Vola Vale.

These three carry the main thread of a most absorbing story, in the course of which we are treated to several thrills.

Chief of these is that in which Vola Vale is snatched from under the plunging roofs of hundreds of stampeding horses.

Comedy showing, "Felix the Cat."
