High School News

Happenings in and Around the School Centers

(By Sheldon Brownson.)

The L. H. S. Track team are meeting the wild and woolly boys of the Pendleton High School at Pendleton. The La Grande boys say that although Pendleton is wild they are going to tame them a bit Saturday.

In an assembly Tuesday, Mr. Towler announced the student body election, which was held that noon at twelve fifteen. The judges were Benish Smith, Juanita Smith, Howard Glenn, Dorothy Krause, Glenn Metcalf and Russell Price.

Mr. Ross awarded ribbons to the track team of last Saturday between Baker and La Grande. Mr. Ross told of some of his experiences in track when he was in school. Millions were awarded to the following:

Time Larson, scoring highest, Clark Price, Don Zimmerman, George Garrick, Dallas Jackson, Ray Lynch, Fred Steinbeck, Eugene Metcalf, James Coker, Alfred Hays, George Stager, Floyd Smith and D. Smith. More ribbons were awarded to the boys at this assembly than have been seen for a long time.

Some of the boys got an awful kick out of the mascot fight no more. The mascot fight was one great mass of legs, heads and arms and according to most of them, it was the longest five minutes ever spent. Although it was a hard fight, most of the boys are ready for another next Monday.

In the recent election of officers for the student body, only 217 of the 400 students voted, and it seems that there is little enthusiasm. The students should give their ardent support to make the student body better. Our student body is a miniature community and our students are its citizens. When they become citizens of a real community, they will support it in the same way as at school, and then complain that they are not getting what they want. Let us use our school as a training place and be better citizens. When you have a chance to vote—vote!

A great deal of talent has been found among the boys this year. All acts of the Merry-makers are being practiced diligently and it is expected that the show this year will be better than ever.

The English VI class has been making nomination speeches, announcements, and a lot of victory speeches. Much good training is being given this way. Some time in our lives all of us will have an opportunity to use some of this knowledge we learn in school.

Mr. Ross visited school April 26th and discussed the subject "The Effect of highway transport on the relations of our communities." This is the topic of the Firestone essay. Several letters from China were received by members of the English class this week.

An assembly was held Friday at noon. The student body president turned the assembly over to the "Merry-makers" who gave a few skits of what they will give us soon. After this, Mr. Hampton awarded the "L" to the debaters. Those receiving letters were Donald Rohan, Ponda Hanks, Janita Craig and Floyd Smith. These debaters were victorious over their rivals, Pendleton, and they duly earned their letters.

Drugs Excite the Kidneys, Drink Water

Take Salts at First Sign of Bladder Irritation or Backache

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

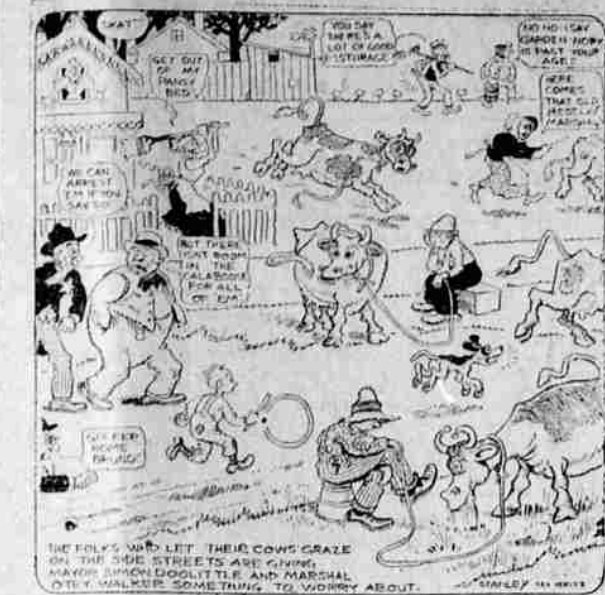

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Fajal Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Fajal Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing anytime. All men have their physician examine their kidneys at least once a year.

As you know from published details, we did \$49,035,729.00 business last year.

Our stock came and went on an average of four times in all our Stores. It did not stay with us long enough to "grow old."

From April 6th to May 15th, the Managers of our 371 Department Stores, at different periods, will be away placing orders for goods for the Fall season and the holidays.

Combined, their orders will total more than \$20,000,000.

Such requirement for merchandise is bound to receive manufacturers' lowest prices.

You benefit extensively.
