Over From Walla Walla

Mrs. Fisher Passes On

Mrs. Lena Fisher passed away at her home in Spokane, Wash., after a lingering illness of a year. Mrs. Fisher was the wife of Henry Fisher, pioneer painter of La Grande who preceded his wife 12 years ago. Mrs. Fisher leaves to mourn her loss besides her many friends, two children, Mrs. Edith Wirth of Spokane, and Mr. W. J. Rush of Los Angeles, and two brothers, August Nelson of Chatsworth, Wash., and J. Nelson of Seattle.

Still After Wool

Jack McLaughlin, who years and years has been tramping over Eastern Oregon grabbing a wool shipment here and there for the Illinois Central railroad, was in La Grande last evening looking over the heavy freight car to see if he could not add to the dividends of his railroad by inducing some one to ship over the big railroad in Illinois. Jack has been a Portland man for a quarter of a century, but the eastern railroad has found that it pays to have one of Jack's type snooping around getting business and so Jack is on the job the year round.

Bert Will Entertain Mr. Nash

"You know that fellow Nash," said Bert Hamilton at the Foley hotel last evening as he and J. T. Beamish of Baker were getting ready to start home after a day in this city. "Well, that fellow Nash, who makes those doll buggy cars I am selling is coming to La Grande and Baker in September and spend a week. I have a recent word from him stating that his vacation is to be spent in these two towns, and say, won't you jazz him around. No automobiles for that boy when he arrives; it's the pack trains and the mountain lakes for him." Bert says for several years C. W. Nash, builder of

the Nash car, has been trying to get to Eastern Oregon and this is the year he will come.

Poster Man in City

B. L. Harvey, who for years sat behind a big desk in the Baschke-Sage Hardware company's offices in Baker passing on credits, was in La Grande last evening. He resigned his old position some time ago and purchased the Eastern Oregon Poster Advertising company, and now he owns all the billboards for many miles around. Mr. Harvey's health has improved greatly since he got into the open air and he stated last evening that he was well pleased with the La Grande end of his poster business.

NO GAMES OF CHANCE AT FAIR IS DECISION

SALEM, May 2.—There will be no games of chance on the state fair grounds at the 1923 show, according to state fair board. The concessions, exclusive of eating resorts, will be confined to clean and wholesome recreational features.

The board decided to make a number of repairs to building on the grounds, but no attempt will be made to erect any new structures this year. Elimination of all questionable concessions will reduce the revenue of the fair, according to figures prepared by the secretary. It is believed, however, that this deficiency can be more than made up through the educational concessions to be sought.

SEEK RACE ORIGIN

(By Associated Press)
HONOLULU, T. H., May 2.—The Japanese government has granted absolute freedom of movement to conduct any investigations desired to the research party of the Bishop Museum of Honolulu which is now on Guam and other South Sea islands in an effort to solve the mystery of the origin of the Polynesian race. According to a letter received by Governor W. B. Parrington from Hugh R. Gibson, charge d'affaires of the embassy in Tokyo.

Lumbago

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. P. J. Dunn, Brockport, N. Y., writes "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."—Adv.

The Evidence Is At Your Door

La Grande proof is what you want and the statement of this highly respected resident will banish all doubt: Wm. Winn, 2302 Fir St., La Grande, says: "I consider Doan's Kidney Pills a reliable remedy and am glad to recommend them. My kidneys troubled me for a long time. The least cold I took caused me to suffer with severe backache and such a soreness over my kidneys, I could hardly do any stooping or lifting. The action of my kidneys was too frequent. I read of Doan's Kidney Pills and used some from the Red Cross Drug Store. Doan's helped me by relieving the aches and pains and strengthening my back and kidneys."

OREGONIANS, TAKE THIS MAN'S ADVICE!

Portland, Oreg.—"Dr. Pierce's Golden Medical Discovery and Pleasant Pellets have given me a new lease on life. Several years ago I contracted the 'flu' and for weeks I was unable to leave my bed. My strength had all gone. I had a heavy cough and at times could hardly get my breath. My stomach went back on me and my bowels would not act naturally. I said, 'I suppose this will finish me.' I was asked by a friend to try Dr. Pierce's Golden Medical Discovery and Pleasant Pellets, as they had prolonged many lives. These medicines of Dr. Pierce's did wonders for me—I am now 82 years old, work every day and enjoy good health; in fact, I feel better and more fit than I did twenty years ago. Dr. Pierce's remedies have given me the privilege of enjoying a healthy old age."—F. M. Critser, 892 Mallory Ave.

Go at once to your neighborhood drug store and get the Discovery in tablets or liquid, or send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial pkg.
