## BOUNDARIES IN RIVER SOUGHT

(By Associated Press) NORTH BEND, Wash., May 9.—Just where the boundary between Oregon and Washington runs in the mouth of the Columbia river is a question which has again been brought up by a recent government drawing for fish trap sites on the shore of Pacific county.

The boundary was originally described as a line running up the middle of the north ship canal and thence easterly. However, the channel mentioned has since disappeared, and Sand Island, which once stood more nearly in the center of the river is now close to the Washington shore. The water back of the island has shoaled until at low tide fishermen can walk from the Washington shore to the island.

The boundary has never been changed and Sand Island is officially in Oregon, although it is physically an integral part of the Washington shore.

Strawberries, says a market report, are hard to get at the moment and they are harder still when you get them.

## NOT DUE TO SEX ALONE

La Grande Women Have Learned The Cause of Many Mysterious Pains and Aches.

Many women have come to know that sex isn't the reason for all back aches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well recommended by La Grande people. Ask your neighbor!

Mrs. Bettie Kahr, 2005 First St.

La Grande, says: "A few years ago my kidneys were out of order and I had dull backache, I felt dull and languid and my kidneys acted irregularly. I read about Doan's Kidney Pills and used them as directed. They soon cured me of all signs of the trouble, and I have had no return of it." Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kahr had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

**LIFE IS TOO SHORT** to waste time working with poor tools. No matter what the work is there is satisfaction in the use of superior tools. ## Society

Mrs. Saul and her daughters Ann and Margaret, motored from Baker Sunday and took dinner with Mrs. W. W. Kinzie.

Mrs. Frank Toney, who has been visiting relatives and friends for the past ten days, returned to Baker yesterday with her husband who came in yesterday morning from Portland.

Miss Minna Ash of this city, left last evening for an extended trip through California. She expects to be gone several weeks.

Mrs. Clyde Davis and daughter left this morning on the branch line train for Elgin, where they will spend a short time visiting.

## Fashion Notes

Mrs. H. C. Grady left this morning on No. 17 for Pendleton where she will spend several days visiting with friends.

### FASHION NEWS

**Lace Widely Used**  
Paris.—Lace is widely used today on afternoon and dance frocks. Lace panels are frequently seen, as is the bertha in all its variations. One of these variations is much like a stole, open down the front but without definite sleeves.

**Uncurled Ostrich Fans**  
Paris.—Feather fans of uncurled ostrich today have assumed enormous proportions. The plumes are very drooping, and there are many of them, so that when the fan is wide-spread it could cover half the gown.

**Bandana Hanky in Foulard**  
London.—The bandana handkerchief which is so universal an accessory in this spring, today is being made in foulard. It is knotted on one shoulder and allowed to hang in rather haphazard fashion. Upon a sleeveless gown its broader folds are brought over one shoulder.

**Marabout Popular**  
London.—Marabout today is as popular for trimming as monkey fur and much more comfortable than the rabbit and fox which some modistes are trying to make fashionable for summer gowns. Skirts and pockets, as well as panels, are often edged with marabout.

**Jacquette Sweaters**  
New York.—Jacquette sweaters that fasten smartly at the side with a pearl or ivory buckle are most effective in today's styles when worn with skirts which match the sweater.

ers in some stripe or pattern rather than as a whole. A desert-tinted sweater, for example, looks its best with a skirt in lighter tan which has a pattern of desert and orange.

### Practical For Bathing Suits

New York.—One of the excellent and practical ideas for bathing suits today is that of the colored tunic over knickers of a vastly different shade. A suit of golden brown satin has a tunic open on both sides from shoulder to hem, held together at the waist by a cord. The knickers are bright yellow.

### Printed Crepes and Silks

New York.—Printed crepes and silks today are more striking than for many seasons and more in vogue. The patterns range from designs straight from the temples of Java to the tiny flowers typical of English prints, large wall paper blossoms and the always effective Roman stripes.

### Emphasizing Color

New York.—A clever thought today in sports attire is to pick out a vague note of color in the sports suit and emphasize it in hat and scarf. A rather nondescript gray suit

with a vague green cast may be made chic by jade scarf and hat band.

### For Young Girl

Paris.—There is a type of hat today very becoming to the young girl, which is all soft lines. It is made of taffeta and turns up carelessly across the front. A ribbon goes under the chin and ties in a huge knot over one ear.

### Ankle Ornament

London.—A fascinating ankle ornament today has caught the fancy of the younger dancing set and is seen after the theater at the Savoy or the Berkeley. The ornament is a mercury wing—of feathers or of jewels—done in brilliant colors and fastened to the ankle with an elastic band and a jeweled clasp.

### Striking Effect in Cape

London.—Evening capes today are very voluminous and often pulled in about the hips with a band of embroidery, only to balloon above and below. They are of such strikingly contrasted shades as black with orange bands of embroidery, or deep blue and scarlet.
