

FRESHMAN DAY HELD AT COVE

COVE, May 10.—"Freshman Day" May 1, at the Cove school, was one long to be remembered by the student body. The day was rainy and some of the activities, such as the "May Pole dance" and others were postponed. The day's festivities were ushered in by a program in the music room. There were songs, readings, and various other things that go to make up a good program. The outstanding feature was the negro wedding, in which Zela Goyette and Everett Williams were the principals, supported by the Misses Laura Richards, Olive Delaney and Ethel Daren as bridesmaids and Arlie Richardson as best man. Victor Neiger performed the ceremony and Gordon Mills, Wm. Howater, Ted Porter, Edward Wulf and Anie Selak as ushers and other attendants. After a picnic dinner, the afternoon was spent in a track meet, a ball game, a tug of war, came rush, potato race, and in all of the activities the freshmen and sophomores were pitted against the seniors and juniors winning two out of three. The day ended with a huge bonfire in the evening.

Four tables were in play and the honors were won by Mrs. Ray Goodnough and the consolation fell to Mrs. C. Bertsch. A dainty luncheon was served, the predominating colors being yellow and white. The yellow and white daffodil graced the tables while the cakes and ices served were of this same dainty color. The guests were Mrs. Ray Goodnough, Mrs. A. Conley, La Grande; Mrs. J. J. Conley, Mrs. A. G. Conklin, Mrs. J. F. Dean, Mrs. T. E. Cerklin, Mrs. L. B. Carter, Mrs. T. W. Conklin, Mrs. A. H. Orton, Mrs. R. Comstock, Mrs. C. Bertsch, Mrs. R. H. Daniel, Mrs. G. E. Chamberlain's Tablets are Mild and Gentle in Effect. The laxative effect of Chamberlain's Tablets is so mild and gentle that you can hardly realize that it has been produced by a medicine. You may shake, you may outrun speed cops if you will; but the corner always gets his when you spill. Don't scorn the worm. They also could drop back to second gear without offering some alibi to excuse his car. Fable: Once there was a man who served who only act as bait.

The Well-Managed Home

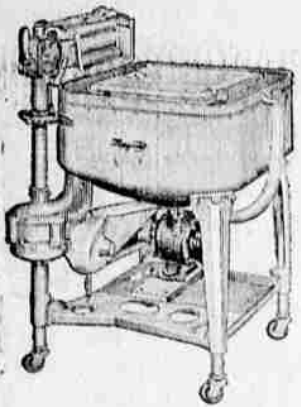

THE manager of a household is the purchasing agent for a large proportion of the family needs. In order to do a good job she must know what, when and where to buy. She must study goods and the concerns which make goods and have them to sell. She must put her home on a business basis and run it on business principles in order to make the most of the family income.

Information is the only basis for intelligent purchasing. And the right way to get the greatest amount of necessary information is to read the advertisements.

Advertisements tell you what is new and good in merchandise. They reveal improvements and inventions that make your home life easier, more comfortable and more convenient. They give you information about a thousand and one things that are useful and interesting.

Every manager of a household—every member of a household who shares the responsibility for the family's welfare—should make a practice of reading the advertisements. They are daily lessons in economy.
