

BLUE MOUNTAIN GRANGERS MEET

GRANGE HALL, May 11.—Miss Juliet Whiteaker, county health nurse, visited Grange Hall school Wednesday.

Mr. and Mrs. Bert Knight of Union visited relatives in the district the middle of the week. They drove over in their new Ford sedan.

Twice daily, A. L. Parker, a dairyman of La Grande, drives out to the Hobbs pasture where he performs the task of milking his herd of dairy cows. These eleven cows produce more than enough milk to supply his 100 milk customers. Mr. Parker states that his work is both pleasant and profitable.

Mr. and Mrs. C. F. Smith and children of Baker arrived Friday and will visit for several days with Mrs. Smith's parents, Mr. and Mrs. J. W. Redhead.

Word has come from Mr. and Mrs. Alvin Dodson of Portland that a little baby daughter arrived in their home April 14. Mrs. Dodson was formerly Miss Cecil Anson of this district.

Lester Masterton, who has been employed at Vincent for the past several months, is visiting his parents, Mr. and Mrs. Robert Masterton.

Mr. and Mrs. Roy Gekeler arrived from Elgin Tuesday in order to have some surgical work done on their son Maurice's head. Dr. Bouvy performed a very delicate operation on this little fellow's head about a year ago and it became quite necessary that another operation be performed at this time.

Grange Meets.

Wednesday was meeting day for the Blue Mountain grangers. Mrs. Dora Caton and Miss Juliet Whiteaker took the third and fourth degree work. The state master, C. E. Spence, was a visitor, and during the lecture hour he made a very fine talk and offered the farmers some excellent suggestions as to the why and when of the solving of the problems of the marketing conditions that the American farmer has to face today. During his discourse, Mr. Spence enumerated a few of the duties that will fall to him to perform in his new office—that of state market agent. This office has just been created and when Gov. Pierce gave Mr. Spence the appointment, the farmers were all unanimous in declaring that the governor had made a very wise choice. After the state master's speech Mrs. Hopple played a selection on the piano and Mrs. Tilton, Mr. Hoffman and Mrs. Redhead each read interesting articles. Dinner was served by Section Two.

Hold Social Day

On Thursday several ladies who belong to the Sunshine club, a social club that has been organized just recently in the east side of the district, took their well filled lunch baskets and motored to Teocasset where a delightful day was spent at the home of Mrs. Gilbert Wilkerson.

Ben and Kenneth Gekeler are busy seeding several acres to alfalfa.

The new Henry building was opened to the public at 2 o'clock Monday afternoon and several of the Grange Hall folks attended. Mr. Carr's face was all smiles as he presented a beautiful carnation to each of his visitors and asked them to call again. The children have been wondering whether the picture of the big white goose on the side of the old building would appear again on the new—the persevering fellow is still on the job.

Farewell Party Given

Mr. and Mrs. Roy Spencer entertained a number of friends at dinner Sunday. Mr. and Mrs. Clarence Redhead and son, Robert, being the honored guests.

The home of Mr. and Mrs. Robert Masterton was the scene of a delightful farewell surprise party Friday evening, given by the Grange social committee in honor of Mr. and Mrs. Clarence Redhead. The evening was spent at cards and in social chat. At a late hour ice cream and cake were served. Mr. and Mrs. Redhead have sold their property interests in La Grande and will leave the middle of the week for western Oregon, where they will locate permanently. Mrs. Redhead has been very active in all social affairs of the community and of the Grange, and has been so ever since a child. We all will miss her very much but all join in wishing her and her family well in their new home.

Our mail man, Mr. Bean, has been delivering the mail for several days in a new Ford touring car. Roy Spencer has the same notion as to the style and make of a car—he has been driving to work for some time in his new one.

Mrs. Mattie Golden left Saturday for Astoria to attend the funeral of her son-in-law, Charley Utter, who died at that place Friday. The funeral was held Monday. The Utter family lived on the Golden farm a few years ago. Mrs. Utter was formerly Miss Katie Golden and she grew to womanhood in this locality. The family has the heartfelt sym-

pathy of the entire community.

Clara Smutz has become quite a purchasing agent for herself. He has bought a new Twin City tractor which by the way, gives perfect satisfaction—a new roadster car and he and his wife are furnishing and cozyfying the house on the McCull place known as the old Huff place, and will live there this summer.

Mr. and Mrs. Arthur Golden are getting a great deal of pleasure from the car they purchased some time ago.

Mrs. Robert Masterton is very ill at the Grande Honda hospital. Farming isn't nearly all done, as yet, some of the farms near the foothills are too wet to work yet and will be so for some time.

Mrs. Stringham and son, Ralph, made a trip to Mrs. Stringham's mountain ranch Sunday. The ranch house kitchen contained a complete cooking outfit but Mrs. Stringham says that when they arrived they found that thieves had taken everything.

PARK SOCIAL NEWS

(Special to The Observer)

THE PARK, May 11.—A. J. Vandervanter went down to the Hall ranch for the road grader which was left there last fall.

"Cud" Cadwell of the Union Hardware store, came up as far as the Hall ranch to deliver a cream separator for Bert Van, of the Park.

The young people, and a few of the old folks gave, a surprise party to Mr. and Mrs. Elmer Kennedy, which all enjoyed very highly, so it is reported.

Joe Lay and Bob Wainker went hunting bear the other day. The results have not been learned.

The lay boys were breaking horses last week.

Clarence and Kenneth Vanorder are nearly done with the heaviest of their season's work.

Cars are making the trip over the summit on the Catherine creek road now. They report the roads in fairly good condition.

Art Murdoch was at the Godday ranch yesterday. He is the main rider for the Stewart outfit of Baker.

The crops are going at full speed and soon will all be done—and all indications show that a substantial amount of grain is in the ground since last fall and all looks very promising.

The creek is very high and muddy these warm days taking the snow off China Cap and the adjoining mountain at a rapid rate.

Gardens are nearly all in, outside of a few early varieties. All gardens are looking fine.
