Oregon Names New Director

EUGENE, May 14.—Virgil D. Earl, former University of Oregon football and baseball star and since his graduation in 1906 a leader in amateur athletics in the state, Saturday accepted appointment as director of the department of athletics at his alma mater. He will begin his work on the Oregon campus in the fall.

Earl is principal of the Astoria high school. For eleven years he was football coach at Washington high school, Portland, developing three championship eleven and as many other teams that tied for Portland interscholastic honors.

The executive council of the University Associated Students, authoritative manager of all student body functions, including athletics, approved Earl's appointment by unanimous vote. The post is newly created by the board of regents. An athletic director has been desired for two years to round out the work of the school of physical education, but finances did not permit of the completion of the department until this spring. The post is an administrative one, and is in addition to the coaching staff.

Dean John P. Board of the school of physical education recommended the appointment of Earl because of the latter's keen interest in and grasp of intercollegiate athletics, as well as his executive ability. Earl's coming to Oregon is expected to give added impetus to all forms of sports, with successful intercollegiate teams, the crowning feature of the athletic system.

27-Inch Rainbow Trout Caught By Lou M. Hoyt

Another finny beauty has been added to the number caught by local sportsmen in Eastern Oregon streams and rivers this season. Twenty-seven inches of rainbow trout, weighing four pounds and nine ounces, is on display in the show window of Clint's Clothing today. It was caught by Lou M. Hoyt yesterday in Willow Creek, a stream near Summerville.

MCCARTHY CENTER OF MEETING (By Associated Press)

SAN FRANCISCO, May 14.—The failure of insurgents attack to unseat William H. McCarthy, president of the Pacific Coast league, and McCarthy's challenge that he will drive William Wrigley, Jr., out of professional baseball if it can be proved that Wrigley, who owns the Chicago National league club and the Los Angeles club, is practicing "systematic bribery" in the Seattle club, featured the meeting of the league directors here today.

That boy who stood on a burning deck was no more foolhardy than the chap who stands on a hot hand in the case of a card deck.

If his feet and hands annoy and dismay him in society, he finds comfort in the fact that he is a red-blooded he-man.

Whopping Cough

This is a very dangerous disease, particularly under five years of age, but when no paregoric, opiate or other opiate is given, is easily cured, by giving Chamberlain's Cough Remedy. Most people believe that it is a cold, but it is not. It is a cough, and it is very much attended, and that there is little danger from the disease when this remedy is given. It has been used in many cases of whooping cough, with gratifying success. It is safe and pleasant to take.—Adv.

PIRATES BEAT UNION, 5 TO 2

(Continued from page 1)

On a fielder's choice, but strategy sent him back to the batters' bench. Took hold the ball, speed seemed to let the sack, and the deed was done—Speed went out. A catch by Johnson in the eighth and whipped to second, catching McCann after he had left the dugout, helped to reduce the Pirates in short order.

White gets strikeouts. White, Union's pitcher, even though he took an airplane trip in the fourth, marked up 11 strikeouts. With the exception of that canto, La Grande got but one hit in the entire eight innings that the Pirates swam their attack. Union got all her hits in the second and fourth innings.

GOOD PLAYS COMMANDED

LONDON, May 14.—There was a time when zealous pastors in London were wont to denounce theatres as anti-rooms to hell, and their flocks applauded them for it. But nowadays the minister of the gospel who talks that way is regarded as narrow-minded. Few, however, have made such a complete right-about-face as the Rev. E. J. Sarton.
