MRS. EVA FERRERA

OREGON IS FAMOUS FOR ITS BEAUTIFUL WOMEN

Salem, Oreg.—Last year I became in an extremely run-down condition, my appetite failed me and I became very nervous. A friend advised me to try Dr. Pierce's Golden Medical Discovery as a tonic and I was very thankful to her for her good advice. One bottle of it made me feel like a new person; it strengthened and built me up into a perfect state of health, my appetite returned and all nervousness disappeared. I have no hesitancy in saying that Dr. Pierce's Golden Medical Discovery is the very best tonic I have ever taken and I am glad to have my testimonial published if it will be of benefit to others who have become run-down and weak. Mrs. Eva Ferrera, 444 Water St.

Obtain the Discovery in tablets or liquid from your druggist or send 10c for trial pkg. to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

School Is Visited By Miss Helen Cowgill

NORTH POWDER, May 16.—Miss Helen Cowgill, of O. A. C., visited the North Powder school last week. She spent the morning at the school building judging the products of the school cooking and sewing clubs. Her decision as to who the winners in the cooking and sewing art was sealed up and will not be opened until the school fair which will be held on May 22. The names of the winners will then be announced and they will be given the prizes. The work of both the cooking and sewing clubs were fine and we feel safe in saying that nearly all the members have scored high and the work of the prize winners will be very hard to surpass. The pupils are given credit in their school work for their work in these clubs and the teachers, Mrs. Buchanan and Mrs. O'Bryen, have worked hard and faithful to keep up the high standard set and from the work shown their efforts have been rewarded with success.

This work will be put on at the school fair which will be held on May 22, and much more besides. The fair gives promise of being the best ever held and the one last year was pronounced very good.

A TALK WITH A LA GRANDE MAN

Mr. D. D. Burger, of 1602 Washington Street, Tells of An Interesting Experience.

There is nothing like a talk with one of our own citizens for giving hope and encouragement to the anxious sufferer from the dread kidney disease. We, therefore, give here an interview with a La Grande man:

"I gladly recommend Doan's Kidney Pills as a good kidney remedy for I know they will do what is claimed for them," says Mr. D. D. Burger. "My kidneys were in bad condition and I had severe backaches and at times I could hardly bend. My kidneys acted irregularly, too, so I used Doan's Kidney Pills from Silverthorn's Drug Store and they soon had me free from the aches and pains and put my kidneys in good shape."

BODIES OF GIANTS FOUND IN COLORADO

(The Associated Press)

SAN FRANCISCO, May 16.—Dozens of archeological discoveries made in the great canyon of the Colorado by Samuel Hubbard, Oakland scientist, were revealed here Tuesday on his return from an expedition to Arizona, according to a story appearing in the San Francisco Examiner Tuesday.

Two petrified bodies of giant human beings, 11 feet tall were found by the Hubbard party, the story says. Discovery of the fossils, Mr. Hubbard asserts, tends to establish for the first time the existence of a race of giants on the American continent in prehistoric days.

RHEUMATISM

Cannot Exist in the Human Body if You Will Use Frank's Prescription

It is pronounced, in fact, it is a shame to suffer with rheumatism, muscular, neuralgic or any form of rheumatism.

This prescription does not pain the stomach, it does not depress the heart, but it does the most good for you with the least harm. Think of it. Rheumatism is a disease, and it is a disease that can be cured. It is a disease that can be cured. It is a disease that can be cured.
