## Bus Bairie Scores K.O. In Second

### Lang-DePinto Bout Was Uninteresting; the Hayes-Smith Match Fair Until a Foul Brought End.

When Bus Bairie, local pugilist, knocked out George Welch of Walla Walla in the second round at the Star theater last evening Bairie's stock went up several points. Welch made a good appearance, was fast on his feet and in the first round appeared to be able to put up a good fight. Bus watched for that unguarded moment and he found it in the second round. Landing a blow on the chin, Welch curled up on the canvas and took the count. In the interval before he came back to the land of troubles and woes.

### Lang Knocked Out.

In the 10-round bout between Bill Lang of Seattle and Mike DePinto there was little of interest. The boys resembled a couple of mechanical toys operated by a string and their blows were light and fluffy. For two rounds they pranced the ring with nothing of a telling nature developing. In the third round Lang was knocked out by DePinto. Hayes and Hollinger, two youngsters, started the program and varied things fairly well for four rounds. They were followed by Cliff Hayes and Chet Smith, who started in to box four rounds. Each of these bouts was spectacular and the audience got into a frame of mind that it was going to see a real fight. In the second round Hayes fouled Smith twice and the bout was called off.

### SPUG MYERS WINS

FOCATIELLO, Ida., May 17.—Spug Myers, Focatello junior welterweight, added another to his string of victories Tuesday night by winning a technical knockout over Joe Neumann, welterweight from Vancouver, B. C. The finish came in the sixth and while Neumann moved a stayor he was badly battered in every round and could not make the grade when the bout was stopped by the referee.

## Drink Water If Kidneys Bother

Take a Tablespoonful of Salts if Back Pains or Bladder is Irritated

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaker; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night. To help neutralize these irritating acids, to help cleanse the kidneys and flush out the body's urinous waste, get four ounces of Iod Salts from any pharmacy here. Take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness. Iod Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

## It's Not the Sput, Sput - It's the Pop, Pop

WEE-E-E-E. We-e-e-e. We-e-e-e goes the self starter. Sput! Sput! goes the engine. Then the sputts die away and you begin all over again.

Isn't it exasperating to listen to this "we-we- and sput" melody every time you try to start your car?

And it's all so unnecessary. Fill your tank with Veltex gas and change the tune to We-e-e-e-We-c-c-e Pop! Pop! Pop!

You don't have to spend half the time of going somewhere in getting started with Veltex gas. You'll have all the power and speed you want, on the level or on the hill and quick get-away, too.

It's not the sput, sput, it's the pop, pop that keeps the scenery moving past and there's one gas that will sure do the trick nicely.—VELTEX, THAT'S HER.
