CAMPERS FLOCKING TO THE RIVER'S SIDE

THE PARK, May 17.—Gay McNair repaired the telephone line between his place and Clarence Vandover's, Saturday.

It was learned that the bushester was at the Hall ranch last night, the dairy cows, and the report is that only one cow out of 40 was condensed.

Mrs. Hoss Lay is quite ill. It is the hope of her many friends that she will recover quickly.

Mrs. Loh Winesworth reports that their crop is nearly all plucked at Raymond Flat.

Joseph Foster has been on the sick list more or less for some time. He is under the care of Dr. Gilmore of Union.

This is about one of the best grass seasons that this community has seen in years. Grasses in the hills are a good indication of moisture, and the outlook is certainly a bright one for the crops in the dry lands.

Campers Coming
Campers are already in evidence along the Lower Catherine creek, as the roads are pretty muddy further up, although cars are going over the summit regularly.

Cattle and horses are in fine condition, and a great gain is expected, with the abundance of green pasture in the foothills.

Francis Robinson returned this morning from Baker where he attended the senior class play of the Baker high school.

F. A. Fortier, who makes his home at Elgin, is in town today and is stopping at the Foley.

Enterprise was represented among the out of town guests at the Foley last evening by A. W. Adamson.

Joseph is represented among the out-of-town guests at the Savoy today by D. H. Burrows. He is here on business.

Walls that make you "sing at your work"

ISN'T it wonderful what a little paint will do? How it seems to flood the room with sunlight, sweep it with breezes, and leave you singing over the dearest, "drudgiest" task a kitchen can know!

For finishing every part of the kitchen there is a Fuller product just suited to its needs. Fuller's Washable Wall Finish can be kept clean by occasionally wiping with a damp cloth. For woodwork, there is Silkenwhite Enamel or Decorat, and for floors, Fuller's Rubber Cement Floor Paint.

And the nicest part is that you can easily do the work yourself and enjoy it thoroughly.

For 74 years W. P. Fuller & Co. has been producing paints, varnishes, enamels, wall finishes and stains. A local dealer has them. Our Service Department will gladly give you advice and mail a little "Home Service" booklet without charge. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.
