McGee Will Face Union Team Sunday

Second Base to Have New Coverer; Remainder of Line-up Unchanged.

One change will be made in the personnel of the La Grande Pirates Sunday afternoon when they clash with the Union Federals at the Stock Show grounds at Union. Second base will have a new coverer, although Manager Crews states that he has not yet decided who will handle that sack. The remainder of the line-up will probably remain unchanged.

McGee, who faced 15 Unionites in five innings here last Sunday, will be pitched against the Federals again. Three hits was all that the visitors could glean against him before and three hits very rarely win a ball game. Providing McGee is going good Sunday afternoon it looks as if victory would camp on the Pirates' flag once more.

While Union and La Grande are playing at Union, Baker will be entertaining the Cove sluggers at Baker. Every team in the Intermountain league is strengthening their line-up and better and better games each Sunday are being anticipated.

COMING TO SHERRYS SUNDAY, MONDAY, TUESDAY

Fairbanks Pietares King of Romance. Makes of Robin Hood in New Photoplay a Character that Will Live in Film History.

No character in history or legend ever appealed more to the imagination for his preponderance of dashing romantic verve than Robin Hood, whose exploits in the Twelfth Century serve to mark that era as one in which the spirit of chivalry reached its zenith. No character in the memory of mankind ever was given such a magnificent opportunity to be impressed permanently so brilliantly. Douglas Fairbanks' masterly portrayal of this character in his photodrama, "Douglas Fairbanks in Robin Hood," a United Artists release coming to the Sherry Theatre Sunday, Monday and Tuesday, is sure to enhance the popularity of this hero since this film undoubtedly will live just as any great novel with a historical background survives the onslaughts of time.

That Robin Hood was a great lover, every version of his meteoric career indicates. He was noted for the manner in which he so rigidly enforced the highest respect for all women. He was gallant to a maximum degree and he never failed to resent any show of masculine misconduct toward the gentler sex. His manner of resentment was always most unpleasant for the offender, too. In order to appreciate what kind of ardor was characteristic of this heroic defender of womanhood, one has only to contemplate one speech accredited to him.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Weyth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, say well-known druggists here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Weyth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

Imbler High Ball Champs

Scholastic Nine Defeats Cove 2 to 1, Wins Championship; Martin Pitches No-Hit Game.

IMBLER, May 18.—Imbler high won the final game of the season from Cove high here this afternoon by the score of 2-1. Cove scored in the first, and Imbler in the fifth and sixth.

The game was a pitchers' battle from the beginning, with Martin, who was pitching his last high school game having a little the better of the argument. He let Cove down without a hit. This game was Cove's third defeat in ten years.

This makes the eighth straight victory for the local high school team and gives them a clear claim to the baseball championship of Eastern Oregon.

Couch O. K. Burrell is negotiating for a championship series with Washington high or Benson Tech of Portland to settle the state high school championship.

Enos Says, Money Can't Buy Anything Better

Declares Tanlac Quickly Ended Long Standing Stomach Trouble, Weakness and Dizziness; He Is Feeling Fine Now.

"Speaking from my own experience, I don't think money can buy a better medicine than Tanlac. It has simply meant good health to me and I can recommend it to anyone." is the characteristic statement of J. J. Enos, 45 Jackson St., San Francisco. Mr. Enos was here for many years in the hotel business here but is now retired, and is well known and respected by a large circle of friends.

"For over a year before I took Tanlac treatment I suffered with indigestion and constipation and got so run-down and worn out that I was just dead on my feet, so to speak. My food disagreed with me, never seemed to do me a particle of good, and the gas bloated me up after eating until it was about all I could stand. I had to be taking something all the time

for the constipation, too, and I suffered from dizziness so bad I had spells that nearly floored me. I would get up in the morning so tired out it was all I could do to drag myself around, and I felt sluggish and listless all day long.

"I got onto the Tanlac treatment by reading statements in the papers, and some of them described my case to a T. I took six bottles, and it made me feel like a man made over. Indigestion and constipation never trouble me any more, and the dizziness and the miserable feeling I used to have after eating have long since disappeared.

"I've got back the strength and vigor I formerly enjoyed, get plenty of restful sleep, and that tired, run-down, sluggish feeling is a thing of the past. Feeling what a world of good Tanlac did me, I feel I have good reasons to endorse it, and will always recommend it as the best tonic in the world."

Tanlac is for sale by all good druggists. Accept no substitute. Over 27 million bottles sold.—adv.
