Preaching services 11 a. m. with celebration of the Lord's Supper. Sermon subject tomorrow "How the Bible Helped Peter on Pentecost." As a rule we love to celebrate birthdays and it is proper that we should do so. Pentecost is the birthday of the Christian church. Do not forget to celebrate it. It is of more importance to all of us than any other birthday. The disciples were baptized in prayer and received the Holy Ghost. Come with prayer and you will receive helpful gifts. Come and learn how that Old Testament's promises were fulfilled that day. Come and refresh your mind on what happened on the first Pentecost day. Come and receive strength for your work for Christ. Jesus had promised them power if they waited at Jerusalem for the Spirit. The promise was kept. The Spirit was poured forth and they received power to witness for Christ, to suffer, to live and to die for Christ. He will keep his promise tomorrow also. Come and see.

EVANGELIST GILSTRAP FLAYS INFIDEL TEACHING

In his sermon at the Christian church last evening, Mr. Gilstrap in no uncertain terms paid his respects to the teaching of infidelity, declaring that the difficulty of most people who have trouble in accepting the teaching of the Bible and Christ is moral rather than intellectual. The occasion of the indictment was a letter that came to Mr. Gilstrap from one of the infidels of the town, in which the Bible was charged with fostering white slavery, immorality, witchcraft, slavery, war, polygamy and adultery. Replying to these charges the evangelist first said that a man usually finds what he is looking for. If he comes to the Bible with evil in his heart he will find these things which he can twist to his own tastes. In direct reply to the charge of the Bible teaching such things, he said that it is true that adultery, witchcraft, war and many other evil things are found in the Bible, not with its approval, but as a matter of record of the evil passions of those whose history is recorded. Meetings were announced for this evening and next week.

CHRISTIAN CHURCH—The revival meetings at the church are attracting large audiences and stirring the interest of the people. Mr. Gilstrap is proving himself a preacher of power. Meetings will continue all next week. Services Sunday morning, but on account of the high school sermon there will be no evening service.—O. W. Jones, minister.

Topic: "What Modern Reformers can Learn from Elijah. A Survey of Elijah's Life." Nothing short of divine power was sufficient for his task, but he was absolutely sure of that power. The class work of this Sunday school must put the lesson on the mind of each student. Each member can help. The sermon subject at 11 a. m. "Can We Please God With His Spirit?" A confession may not give us His spirit. A baptism may not. New birth will. As many as are led by the Spirit of God, they are the sons of God. Don't do it all yourself. Permit God to send the Holy Spirit. Elijah prayed and waited for God to answer. We too often leave God out. Christ said: "My Father and I will come and dwell with you and in you." Man cannot by any kind of obedience do God's part. Obedience is only man's side. God has a side. We forget that. Fill the church. A good choir, congregational singing. Mrs. C. E. Happersett director. The churches will all dismiss for the Baccalaureate sermon by Rev. William Crosby Ross at the high school auditorium at 8 p. m. The ministers have been recognized and the churches invited. The home, the school and the church, are the three large factors in moulding our young life for proper citizenship. It is very fitting that all be represented on this occasion.—Albert R. Sitton, pastor.

PREPARING EXHIBIT FOR SPOKANE SHOW

JOSEPH, May 19.—Wallowa county is to be represented at the Tourist and Sportsman fair at Spokane. The commercial bodies of the valley, particularly Enterprise and Joseph, have been active this week getting exhibits of fish, game, minerals, pictures and anything else that represents the county. These exhibits will be started to Spokane Saturday where they will occupy a booth in the pavilion of the Tourist and Sportsman association.

A delegation of Enterprise fishermen obtained a permit from the state fish and game commission to get an exhibit of Eastern Brook trout from the mountain lakes. Accordingly last Saturday the fishermen went to Aneroid and brought back 25 fine specimens which were sent at once to Spokane to be frozen in a cake of ice.

It is planned to take the exhibit to Spokane by auto truck.

PERMANENT ENAMEL BAKED ON STEEL

Eight years ago, when Dodge Brothers originated the all-steel motor car body, they took advantage of the absence of wood in the framework to bake an enamel finish on the surface of the steel.

In a vast series of electric ovens, especially designed and built by Dodge Brothers' engineers for this process, three distinct coats of black enamel are successively baked on the steel at an intensely high temperature.

The result is a finish so hardy and durable that it seldom requires more than a good cleaning and polishing to restore the original brightness.

Even in sections of the Southwest where alkali in the soil is especially destructive to body finishes, Dodge Brothers enamel retains its beautiful lustre after years of wear.
