Mrs. John Ward and children left this morning for Baker to spend a few days visiting.

Mr. and Mrs. C. C. Lillie and children left this morning for their home at Huntington after visiting friends here for several days.

The most precious thing in the world

Think what this world would be without confidence that the sun would rise tomorrow!

Without confidence in the order of things, in our fellow men, in our institutions, chaos would reign in the world. There would be no security, no progress, no happiness. Confidence is essential to all that is worth while.

Years of satisfactory experience with Red Crown gasoline have given the motoring public confidence in "Red Crown." They know that with "Red Crown" in the tank they have high-quality motor fuel, and that from it their engine will deliver its maximum power and mileage.

"Red Crown" is available at Standard Oil Service Stations, garages, and at other dealers.

Look for the Red Crown sign before you fill.

The Gasoline of Quality

FOR FALL SHOOTING we carry a full line of .22 rifles, shells and all kinds of ammunition. Revolvers, hunting knives, camp outfits—in fact everything needed for the sportsman or hunter, for small and big game.

Roland Oliver, prominent Pendleton man, is in this city attending to business for a few days. He is

registered at the Foley.

MISSING HEIR LOCATED

CENTRALIA, Wash., May 22.—Through a notice inserted in a local paper, C. R. Williams, who recently came to Centralia from Oklahoma City to find his brother Peery, whom he had not seen in 15 years, has located the latter at Oregon City. The finding of the missing man was necessary to the settlement of an estate left by his mother.

A reward of \$1000 had been offered at Oklahoma City for information as to Peery Williams' whereabouts.

ferred at Oklahoma City for information as to Peery Williams' whereabouts.

MAN 66, TAKES BRIDE
VANCOUVER, Wash., May 22.—Mare Orell Seymour, for many years engineer on the old ferry plying between Vancouver and Hayden Island, was married here today. He gave his age as 66 years. His bride is Mrs. Linda Ford, 50, of Portland.

Mr. Seymour retired from the service of the Portland Railway, Light

and Power company in 1917 when ferry service was replaced by bridge. For two decades the veteran engineer kept the ferry operating Sundays and holidays as well as week days. He missed but few trips in all his years of service.

His home is at 714 West Eighth street, Vancouver.

A modern thinks he is roughing it when he strolls in the park without his stick and gloves.

When Your Range Wears Out—Consider Why

Is it broken?
Is it rusted out?
Has it grown so wasteful of fuel and generally unsatisfactory that you have to discard it?
Or, is it getting to look so badly that you just want a new one?
No matter what your experience has been, note this:
Whatever is the reason for discarding your old range—that thing cannot possibly happen to the Monarch.

The Monarch is made of malleable iron that cannot break.

The Monarch is protected against rusting out by its Vitruvian Flues.

The Monarch's riveted joints stay tight forever so that it gives the same satisfactory and economical service after years of use as when new.

The Monarch is easy to keep clean and looking like new for many, many years.

Come and let us tell you all about this wonderful range. Our prices are most attractive—investigate them now.

MALLEABLE

Puzzling Problems--- Brick, Lumber and Banking

THE brickmaker tells you it costs less to build with brick. The lumberman says that good lumber lasts indefinitely. But brick costs more than wood and wood wears less well than brick.

In your business you will meet many contradictory and confusing problems. It is, therefore, well to talk your business affairs over with your banker. He is without bias and applies fundamental principles.

The officers of this bank are always at your service.
