AT any rate, paragraphers escape the embarrassment of standing before an investigating committee...

Now that we have a machine to detect a lie and reveal it, perhaps some body will invent a golf ball that can detect a bad lie and dodge it.

SHERRY'S—LAST DAY ROBIN HOOD ROBBED RICH TO FEED POOR

Famed Twelfth Century Character Lives Again in Douglas Fairbanks' New Photoplay.

According to legend Robin Hood, he of infinite exploits of matchless valor in the days of chivalry 800 years gone, hit upon a clever method of avoiding the odium of robbery when he audaciously dedicated himself to the occupation of "robbing the rich to feed the poor."

He made a practice of inviting wealthy men to dine with him and he played the part of a most hospitable host, affording his guests feasts on the best of high-class dishes, including rare venison and choice fowls.

Then take the author. There is no star, male or female, who is as fascinating to look upon as these strange wild beasts that pass back and forth before the camera at the Star theater.
