

NEW COCOON BROADCLOTH

An Exceptional Shirt That Will Appeal to a "Man's Summer Fancy"

To many men the Broadcloth shirt represents the essence of good taste, and rightly so, for, after all, there is no shirt that more completely symbolizes quality and refinement.

Broadcloths are guaranteed; they will not split or crack; they will not fuzz; indeed, their construction is so unusual that they brook no comparison as far as service and durability are concerned. So splendid is the fabric, so fine the tailoring, that you will find them irresistible.
