RHEUMATISM
 Cannot Exist in the Human Body if You Will Use Trunk's Prescription

It is preposterous to say, as it is a shame to say, that rheumatism, muscular aches, or any form of rheumatism, is incurable. This prescription does not rub the stomach, it does not depress the heart, it does not irritate the bowels, it does not cause any kind of indigestion, it does not cause any kind of nervousness, it does not cause any kind of weakness, it does not cause any kind of loss of sleep, and it is impossible to get something better. The result is to send you back to your normal state of health, and to give you a superior liver medicine.
