THEATRES

ALL STAR CAST IN UNIVERSAL DRAMA AT ARCADE

When is a man old enough to be retired?

That is a question as universal as youth and love and that it may engender as much drama as evinced in "The Ghost Patrol," the Universal all star attraction at the Arcade theater, today only.

Army officers and policemen particularly have suffered the broken hearts, come from retirement while still in the prime of efficiency—owing to years. It is a veteran policeman, retired after thirty years' service and still passionately loving his work, that Sinclair Lewis, noted novelist, made the subject of his story of "The Ghost Patrol."

George Nichols has the strongest role of his career as the kindly officer who is a big father to everyone on his beloved tenement beat. Other members of the all star cast who handle important roles effectively are Ralph Graves, former Griffith star, Bessie Love and George B. Williams.

The story is unique in that primarily dealing with a story of vital interest to older people; it also has a romantic appeal to the younger generation. Readers of "Main Street" will find delight in "The Ghost Patrol."

Nat Ross directed from Raymond L. Schrocks' continuity of the Sinclair Lewis story.

Art Acord in "The Oregon Trail," will also be seen at the Arcade today.

"GRUMPY" FINE PICTURE

Said to be a feature production of the finest grade, "Grumpy," produced by William de Mille for Paramount will be on view at the Arcade Theatre starting Thursday. Theodore Roberts, May McAvoy and Conrad Nagel are featured.

Any time is Sandwich time

SERVE Sandwiches

The housewife who masters the art of the sandwich has the key to good health and good appetite for her family. For the children's lunch-box, sandwiches. For the unexpected guest, the Sunday night spread, the after-theatre bite—again sandwiches! For nourishment, enjoyment and convenience, at any and all times, sandwiches!

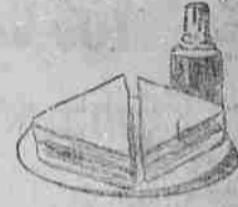

Here is sandwich-wisdom for the woman who wants a short-cut to perfect sandwiches:

1. Use very sharp knife, cutting thin, even slices.
2. Match slices, to make neat sandwiches.
3. For heavy sandwiches leave crusts on and butter to the edges.
4. It is more economical to heat butter to cream and spread bread before cutting slices from loaf.
5. Cooky-cutters may be used for cutting round or fancy shapes. These should be spread after they are shaped.
6. Avoid bulky fillings in making dairy smooth sandwiches.
7. Sandwiches made several hours before serving time may be kept moist by wrapping in napkin wrung out of hot water. Sandwiches for picnics and luncheons to be carried should be neatly wrapped in paraffin paper.

Watch for our delicious recipes. Here's the first:

YUM YUM SANDWICHES

Make filling of one cream cheese, or an equal quantity of cottage cheese; two cups of minced ham and one small bunch of watercress and cream them in ham. If desired, add mayonnaise or French dressing to this filling. Spread between thin unbuttered slices of white, rye, or whole wheat bread.

The more particular you are about your sandwich bread, the better you will like

SUPERFINE BREAD
 —the tasty loaf that always assures you fullest Bread enjoyment. Ask your grocer.
