Back Thought Broken—
 In what both contestants insist, was a friendly bout, Joseph Mannix, city attorney of Astoria, suffered serious injuries yesterday morning wrestling with Carl Carlson, ex-chief of police of Astoria, in Carlson's apartments at 182 West Park street. At Portland Surgical hospital attendants said last night that Mannix had what they feared to be a broken back as well as a dislocated shoulder. He was placed in a plaster cast in the hopes of saving him. He was said to have an excellent chance for life. Carlson was extremely eager to make it known yesterday that he and Mannix were the best of friends. Mannix said the team from the hospital. The story was that the two were engaged in a test of strength and wrestling ability when Carlson clamped down a headlock on Mannix, and not knowing his power, bore down too hard.

It is expected construction will start within 60 days and that it will take about three months to complete the plant.

"THE FOUNDATION OF CHARACTER" SUBJECT

In last night's sermon at the Christian church, Evangelist G. Stratton stated that a good foundation is "pre- requisite to any superstructure." "This," said he, "is true, whether we are building skyscrapers, an education or a character." His proposition for the evening was that Christ in the past analysis becomes the only foundation for character building. "For other foundation can no man lay than that which has been laid, which is Christ." He said this is all the more true since character reaches out into eternity.

The evangelist showed that philosophies and other non-Christian religions have not in any true sense become the foundation for character building, but have, on the other hand inevitably led to moral retrogression. Speaking of the so-called "moral man" out of Christ, and that Christ is the author of the standards by which he judges himself, and that he is not moral if he stands in rebellion to God however much he may appear to be moral in other respects. Like the dahlia that is beautiful but lacking fragrance, so their lives may seem to conform to moral standards, but lacks the fragrance of a contrite heart and the acknowledgment of God as the author of all good.

"The foundations of our civilization have been laid when out of the gray mist of the tempestuous Atlantic came a weather beaten little band seeking the liberty of God's people. It was laid when that early civilization broadened in to the middle west and laid the foundations of our present democracy. It was laid when Marcus Whitman pushed his dirt wagon past the Rockies and pre-empted this Oregon country to the kingdom of God and saved it to our nation. Shall we be true to the ideals of those splendid old pioneers and build upon "The foundation of the apostles and prophets, Jesus Christ himself being the chief corner stone."

John R. McLean Gains 18 Lbs. Taking Tanlac

Kept Losing Ground for Five Years, Says Los Angeles Man; Declares He Now Feels Fine as in Younger Days.

When John R. McLean, a cabinet maker, living at 515 Maple Ave., Los Angeles, said: "Tanlac was what I needed to get me in first class working trim," he corroborated the statements of thousands of others who have used the medicine with the most gratifying results.

"Before taking Tanlac," he explained, "I had lost considerable weight and was in a badly run-down condition. Every year, for five or six years I had been getting thinner and thinner and feeling more and more rundown. I had realized the importance of getting something to stop my decline and build me up again, as my aunt had gotten such good results from Tanlac, I turned to the treatment suggested, and the result that it has yielded eighteen pounds to my weight and made me feel as good as I ever did in my younger days."

"Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold."

Tanlac Vegetable Pills are nature's own remedy for constipation. For sale everywhere.—Adv.
