The Home of the Soul.
In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely unwell as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a cent.

MANY COME HOME FOR THE SHOW

Union's Former Residents Try to Make It Back Once a Year to Enjoy Features.

UNION, June 8.—Scott Callahan came home Monday from Corvallis, where he has been attending the O. A. C. He will spend his vacation clerking in the Levy store. Clifford Irwin, who left Union about a year ago and joined the marines, is home on a 30 days' furlough. His headquarters at the present time is Mare Island, near San Francisco. During the last year he spent most of the time in the Hawaiian Islands and expects to visit China and Japan during the winter. He is here visiting his mother, Mrs. Flora Kiehlbeck during his furlough.

Mr. and Mrs. Pratt, former Imbler residents were in Union Monday visiting friends. The Pratts are on their way to Nebraska, where they plan to make their future home. Floyd Maxwell came up from Portland Monday and is spending the week with his parents, Mr. and Mrs. W. A. Maxwell. Floyd is a Union boy but is now connected with the Oregonian staff and is covering the stockmen's convention and livestock show for that paper while in Union.

Miss Freda Thompson, who was a teacher in the Union schools during the last year, came over from Prairie City Tuesday. Miss Thompson will remain during the week.

During the electric and rain storm Tuesday afternoon, the lightning struck a barn on the Shaw ranch located up along Little creek. The building was totally destroyed, but fortunately it was empty at the time. No other damage was done except the burning of this one barn.

P. M. and Mrs. Litter are home from a visit to Prosser and Milton where Mr. Litter was looking after his work connected with the fruit industry.

It is understood that there are several prohibition enforcement officers attending the stock show sessions and the carnival at night, and as a result it appears that moonshine is a little less conspicuous than was expected, especially at the show grounds every-thing so far has been very quiet.

The children who have been coached since the closing of the school term, by Mrs. Kildey, one of the grade teachers, are taking the state examinations today and tomorrow. Out of a class of about 25, 24 secured diplomas at the first examination. Two boys in Mr. Ross's room tied for the highest average in the school, Henry Rieck and Ralph Connor, each having averaged 92.5 per cent.

What was called a "House of a Thousand Wonders" was on the streets here this week. It was a house mounted on a car and the rear of the house was almost covered with automobile licensees from different states, showing that the boys who had charge of the outfit had traveled over a great part of the country.

Eugene Conditin, whom many of the

residents of Union county will remember as having had charge of the high school when it was housed in the old South building, is here visiting with his brother, Roy Conditin. Eugene has retired from the profession in Ontario. He will remain home in Ontario, until after the livestock show.

The two men charged with drunkenness and brought before L. Z. Torrey last Monday for trial, both pleaded guilty and were fined \$15 each. The two victims of moonshine, Red Derby and Wade Shelton, were given until 2 o'clock to pay the fines or visit the city jail.

Miss Helga Nelson, who has been connected with the local high school for the past two years, will leave for her home near San Francisco tomorrow. She has accepted a position in her home school for next year. While here Miss Nelson made many friends and although we regret that she is leaving Union, their best wishes accompany her to her home and new work.

Mrs. Irwin, who has been spending the last few weeks since the school term closed visiting down at the coast returned to Union Wednesday. Her daughter, Evn-Jane, will extend her visit till the July celebration at Meacham.

Mrs. Vera Huck of Spokane, Wash., arrived in Union Sunday evening and went on to Hot Lake to spend the week with her father, Thomas G. Ham, who is quite ill at the sanitarium.

C. B. Gatchel arrived in Union Tuesday for a visit with his wife and daughter, who are staying at the home of her parents, Mr. and Mrs. Wm. Wigglesworth.

High School at Stock Show
The high school boys' department is one of the important features of this year's stock show. Teams and Smith-Hughes men are here from Prairie City, Ontario, Elgin, Union Highway and Enterprise. Waitowa was expected to send a team, but they could not come. Milton has boys here with entries, but they are not in the judging contests. The organizers who accompanied their teams were: Paulson, Ontario; Crouter, Prairie City; Hollenberg, Enterprise; Wheeler, Halfway; Cyrus, Elgin; and Morgan, the great man Wednesday between 11 and 4 o'clock are participating in the work this year. High point honors yesterday went to Paul Neece of Ontario, who also won like honors from the state last year.

Another interest-drawing card at the grounds is the hog entered by Gray of Abney. This monster swine tips the scales at 122 pounds, and is claimed to be the largest hog in the country.

Little Cove Girl Breaks Collar Bone While Playing

COVE, June 8.—Farmers have enjoyed the warm rains of the past week. Grains of all kinds are looking fine and prospects are good for a big fruit crop.
Elma, the six-year-old daughter of Mr. and Mrs. L. V. Johnson, had the misfortune to break her collar bone last Sunday while jumping a rope with other children, her foot catching in the rope, throwing her and inflicting a painful injury. She was immediately taken to Dr. Gilmore of Union for attention.
Henry Maurer has purchased a runabout, and expects to be enjoying it in a few days.

For Vacation Discomforts

The unaccustomed exercise of vacation-time is apt to make the muscles sore, stiff and painful. Other sports—sunbath, insect bites and poison oak or poison ivy.
Vicks can be applied to prevent these discomforts and is also a soothing relief. It helps, too, in case of summer colds, hay fever or headache.
