

GRANGE HALL HAS PROGRAM

(Special to Observer)
 GRANGE HALL, June 11.—Mrs. Ed Stringham made a trip to Union Wednesday.
 Gerald Heeschen arrived a few days ago from The Dalles, and will make his home with the Adam Beck family. Mr. Heeschen is Mrs. Beck's brother.
 Ben and Kenneth Gekeler returned Friday from Portland where they spent several days visiting relatives. "We had a fine trip. Our visit wasn't long enough as the only objection we had. After looking at other places and localities and seeing them all up, Grand Ronde valley is about as good as any of them," declared the elder Mr. Gekeler, "and we are glad to get back and it looks better than ever." "What is the matter with the top of your car?" was asked. "Oh! that was torn off during a windy streak along the Deschutes river. Yes, we found a place as windy if not more so than the Hot Lake vicinity."
 Mrs. Wm. Taylor and son Beryl are visiting relatives in western Washington.
 Parents and friends of Grange hall school were royally entertained Friday, May 25th, by pupils and teacher. At noon a sumptuous dinner was served. Following a well rendered program was given in which a great deal of hard work

was shown by both pupils and teacher. Mrs. A. E. Ivahoe gave one of her interesting addresses which was excellent, to the point and both parents and pupils appreciated her valuable suggestions. She also paid a high tribute to Mrs. Caton who has taught two successful terms of school in the Grange Hall district. With well chosen words, our county school superintendent presented a diploma to each of the following pupils: Mildred Spencer, Juanita Spencer, Ina Mullenberg and Lynn Smutz. Miss Whitteker, county health nurse, entertained the audience for awhile with a short talk. She stated that the play "Captain Percy and the Slovenly Sloop" is a play sent out by the state board of health to be played in the public schools and she gave the twelve boys who were in the play high praise for the way they carried it out. The gist of Miss Whitteker's theme was on the ever interesting subject—health. She ended her remarks by saying, "Start your child's career not only with a bank account, but with health."
 Several prizes were awarded the children by Mrs. Caton on the Thursday before the close of school. A prize was given Mildred Spencer for making the highest average in the eighth grade exams; one went to Ralph Stringham for perfect attendance; Juanita Spencer and Ina Mullenberg each received one for best behavior and Frances DeLong and Beryl Taylor each carried off a prize for making the highest average in the entire school.
 As a token of appreciation for the services rendered them during one of the hardest struggles in their eight years of school life, the eighth grade pupils presented a lovely gift to Mrs. Caton. In speaking of this little act of esteem, the teacher re-

marked, "You just cannot know how fully I appreciated the lovely present of the eighth graders gave me. You know how such acts of thoughtfulness always make one feel—add another degree to the register of happiness. Whenever I shall look at the gifts or use them I shall always think of the pleasant hours spent with the members of the eighth grade class of 1923."
 Mr. and Mrs. Chas. Spencer and children spent Sunday in Union the guests of Mr. and Mrs. Bert Knight. Mr. and Mrs. Harry Clay and two little sons of Union, visited relatives in the district Thursday evening. They drove over in their new Ford sedan.
 Mrs. A. E. Huff, Mrs. Albert Knight and daughter, Amariyllis and Mrs. Harry McClay and two sons, Jack and Bobby, all of Union, and Mrs. A. E. Ivahoe, Miss Juliet Whitteker, Mrs. J. W. Pearce, Mrs. B. D. Krentz, Mrs. Cain and Mrs. M. H. Caton, all of La Grande were among the out of the district guests at the school entertainment Friday.

Towels and Toweling

of Exceptional Merit---
 a Truly Remarkable Offering!

Several months ago, our buyers in New York made direct-mill contracts for 1,000,000 towels and a stupendous yardage of toweling and crash for delivery at this time. This Store has just received a large allotment of this great purchase. These goods are priced in the most unusual way even for this organization of Nation-wide service.
 We advise your prompt response to this announcement. While our allotment is large, we feel sure that the supply will last only a limited time. Select as many as you like while our stock lasts. An equal opportunity probably will not recur this year.
