Five Pirates Raise Their Bat Average

MaGee Still Leads Hitters; Crews, B. Knight, Johnson, White and McInnis Climb.

Five Pirates brought up their batting average against Cove Sunday—Crews, B. Knight, Johnson, White and McInnis. Both McInnis and White came out of the "house" early in the game by driving out a hit. Two hits each by Johnson and Crews gave their percentage a decided lift. Jack cleaned out one hit but nevertheless came up several notches.

The team average suffered slightly—falling just one point, although the average hit by the team against Cove Sunday was heavier than the Sunday before that.

MaGee, who was ill and unable to appear for the Cove game, still leads the batting lists but MaGee has held the batting lists but MaGee has held that place for several games now and, with the exception of McInnis, who has been to bat but three times, is the only man batting above the .300 mark.

The Pirates were hitting Fulp hard Sunday for what looked at first like real hits but their averages were robbed more than once by a beautiful steal at some hard hit ball by a Farmer. The eye is still there but luck seems against the LaGrande boys. It is safe to prophesy that, once the horseshoe shifts sides, the Pirates will begin banging out hits in great shape.

The complete list of averages is as follows:

	GP	AB	H	Pct.
MaGee	5	15	7	.467
McInnis	2	3	1	.333
Crews	6	22	6	.273
Theison	6	25	6	.240
T. Knight	5	19	4	.211

If Back Hurts Flush Kidneys

Drink Plenty of Water and Take Glass of Salts Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much, so get from any pharmacist about an ounce of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with other salts has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking and no doubt you will wonder what became of your kidney trouble and headache. By all means have your physician examine your kidneys at least twice a year.

UNION SOCIAL NEWS BUDGET

(Special to Observer)
UNION, June 12.—Thursday afternoon just as the Stock Show was closing for the day, Jess Spencer, who was one of the officials on the grounds, was kicked by a horse while he was walking past. He was knocked down and had to be taken home, but the next day he was able to hobble around on crutches.
Mrs. John Murray and two daughters, Jessie and Pearl, and Miss Elizabeth Johansen came down from Perry to attend the Stock Show and to visit with friends in Union. They remained for the dance in the evening.

Mrs. J. P. Larsen and her son, Kipling, were here last week visiting at the home of Mrs. Larsen's sister, Mrs. Jensen.

One interesting feature of the Live-stock show was the exhibition of Duroc Jersey red hogs by W. H. Kirkman from Enterprise. His were the only red pigs on the ground. He sold a few while here and says that he hopes to return to Union next June and have some opposition in his showing of Duroc Jerseys.

William Tumes, who hails from Brune, Idaho, was here last week to visit with Al Stenseth and also to be at Hot Lake.

Mrs. Burton and children of Baker are here visiting at the home of her father-in-law, Mr. Burton.

Work on Fish Hatchery.
Mr. Brallier, the Portland man, who is building the new dwelling at the state fish hatchery here, has the house rapidly nearing completion.

The work was delayed for some time in account of rain and difficulty in securing lumber, but is going forward more rapidly now.

Nolan Skiff, representing the La Grande Observer, was here during the Stock Show taking in the events and visiting with his parents, Mr. and Mrs. O. J. Skiff.

Crop conditions in this end of the Grande Ronde valley are looking fine as a result of the showers and warm sunshine.

Bishop Goldie, who has been here for several weeks with his family living in a car, is looking for a suitable home in Union. His furniture has been stored in a box car and the Bishop is getting tired of living

LUMBER PRICES ARE RECEDING

Lumber prices have developed a receding tendency during the last ten weeks. Their present stocks are in some cases above normal, but they are finding business excellent and are cutting down their accumulations at a rate which makes certain their early reentrance into the market for replenishment, unless the general business situation shows an unexpected change for the worse in the meanwhile. Building remains active in most cities and industrial communities, but it is noticeable that less new work is developing and the outlook is for some retrenchment in this field. The largest contributing factor in this connection appears to be the general scarcity and costliness of labor. Prospects for country trade are improving despite the latest distributors expect that such trade may occur in the city demand. A new plane, Retailers and factory consumers have had heavy receipts in old orders during the last several

The game Sunday between Baker and Union was "all going out and nothing coming in" as far as the Federals were concerned. With a stronger lineup than a week ago, when we played Baker 8-1, Union had hopes of scraping in one game of the season, but we didn't. O'Brien started twirling for the Federals and in the first two innings they captured two hits and four runs. Then Wardell relieved him but the marauder went merrily on with an average of two runs to the inning, although Wardell pitched good ball. Union's infield went up in the air during the first round and failed to return to the ground till the game was over. Fielding did some better, especially Goertzen in the center position. Bloom was on the job and playing good ball all the time except one inning when he was relieved by Grant of Baker, just after he had been hit by a foul tip and laid out for a few minutes. Baker used Hochury during the entire game and he pitched a mighty fast game, striking out ten men and allowing only five hits. He walked three men, Union's pitchers walked seven, and allowed 11 hits. Wardell struck out four men. Final score, Baker 18, Union 0. Lester Miller umpired the game.
