Hotpoint Hughes

INDIVIDUAL BAKED ALASKA

Here Is The Range You Have Been Looking For

This new model is a perfect beauty. It has been designed for space economy, but still has ample room.

The oven is large and equipped with a drop door that can be used to set cooling food on if necessary.

The cooking surface is of one piece with all corners nicely rounded making it easy to keep clean.

These and many other conveniences are all combined in this new Hotpoint Hughes Electric Range to make your work more pleasant—more profitable.

Food prepared on a Hotpoint Hughes Electric Range is better cooked and more wholesome food because of perfect heat control.

Many other new models are shown and designed for every particular condition. Let us show them to you.
