COVE STRAWBERRIES RIPENING SLOWLY

COVE, June 15.—Strawberries are ripening very slowly on account of the continued rains and cool weather.

Miss Bess Kelly has resumed her duties at the Cove State bank after a delightful vacation spent at Boise, Idaho.

Children's Day was observed at both the Baptist and Methodist churches. Excellent musical programs were given by the young people which showed careful training.

Archdeacon Goldie and family moved into the rectory last week.

Stuart French returned Saturday from Walla Walla where he attended the pageant and visited his uncle, Dr. Herman Trippier.

The Baptist convention held in Cove on Tuesday, Wednesday and Thursday was well represented despite the inclement weather.

L. N. Conley and family spent Friday and Saturday in La Grande.

Mrs. Karl Petersen will open a restaurant in the Little building as soon as the carpenters have finished installing seats and tables.

The post office has been moved two doors north in the Breshears building.

TO HEAD DEPARTMENT.

CORVALLIS, June 15.—Dr. Alfred C. Schmidt of Albany will head a new department of finance and administration in the school of commerce.

As assistant professor of business administration, he built up the courses in banking and finance until the department of business administration became large enough to divide into two sections, the department of accounting, to be under W. H. Robinson, who will come from Washington, D. C. to take charge, and that under Dr. Schmidt.

Work will minimize the worries of all people except him who worries because he has to work.

RETURNS OUT ON CAPITAL STOCK

PORTLAND, Ore., June 15.—Clyde G. Huntley, collector of internal revenue, today released the capital stock tax returns, for the period beginning July 1, 1922, and ending June 30, 1923. This is a tax on fair value of the capital stock of a corporation, payable in advance for the privilege of doing business, and should not be confused with corporation income tax. Returns should be filed as of June 30, 1923, and must be in the collector's office not later than July 31st.

According to Collector Huntley, every corporation must file a return, whether or not it is subject to tax. A penalty of \$1000 will be incurred for delinquency in filing. Unless a corporation has been actually dissolved, a return properly sworn to and acknowledged must be filed, even though the corporation is temporarily "inactive."

Blank returns have been mailed to all corporations as nearly as possible. But in the case of newly organized corporations, or in the case of corporations the addresses of which have been recently changed, return blanks may fail to reach them. This fact, however, does not relieve the taxpayer from the responsibility of filing the return, as blanks may be obtained from the collector's office upon request.

If check for the amount of tax accompanies the return, it will greatly expedite the work of the Portland office as well as of the Department at Washington.

MANY TO ATTEND SCHOOL.

CORVALLIS, June 15.—More than 200 boys and girls who won prizes for various club projects are in Corvallis for the annual Junior summer session which will close June 23. Two weeks of intensive training and study will be relieved by recreational features each day.

SUMMER SESSION IN READINESS.

CORVALLIS, June 15.—Summer session plans are in readiness for the hundred of students expected, and six deans, 37 professors, and 24 instructors scheduled of the regular staff will be assisted by a staff of visiting instructors and convocation lecturers in presenting the work.

Recommend Chamberlain's Tablets.

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.—Adv.
