PRESBYTERIAN CHURCH—Religious convictions animated the founders of this republic. A majority of the leaders of public life count themselves Christian and support the church with their active efforts. But America can remain Christian only as each individual follows the teachings of Christ. As we have observed the Flag Day in our American life, let us tie the patriotism thereby expressed into an active participation in the Christian life of this community. Be at church on Sunday as gather to worship God in the First Methodist Episcopal church at 11 o'clock. Lawrence Dutton will be our soloist at that service as we worship God in the hymns of praise. Our Sunday school meeting at 9:45 in the Y. M. C. A. and Manse. The Christian Endeavor will meet at the Anderson home, 507 Adams avenue at 6:30 with Mrs. L. Bower in charge. Let us make this Lord's day a day in which the resurrected Saviour is made the Lord of life. The minister stands ready for any service and will appreciate co-operation on the part of the people to this end. Phone Main 128. Residence 1310 Washington avenue.—Wm. Crosby Ross, minister.

FIRST METHODIST EPISCOPAL CHURCH—If any man have not the spirit of Christ—though he may have learning, titles, wealth, fame—he is none of this said Dr. Fraunce in a recent address before a church assembly. In this remark he emphasized the reality of religion such as is found in the church life of America today. As a part of the Kingdom of God which was established by the Christ, we invite you to join with us in fellowship. Sunday school at 10 o'clock with classes for all ages. Morning worship at 11 with the Rev. Wm. Crosby Ross of the Presbyterian church as the leader. Camp meeting still in session at Wallowa lake and Young People's conference the afternoon of June 16. To these meetings all members of our church are welcomed after a beautiful drive through the country. While we are without a pastor just now our services are held as usual and the above minister is available for any calls that may be required. Use us in the Kingdom.

FIRST BAPTIST CHURCH—Sunday school at 10 a. m. Mrs. C. E. Happersett superintendent. "A fine time" was the report from Miss Mildred Lovett's class picnic. Miss Benham's class put off the class party till this week. The boys are making an effort for perfect deportment beginning next Sunday. The Book of Esther will furnish our lesson Sunday. The sermon Sunday morning will review the messages of the District convention at Cove and use the words of our Lord, "I will manifest myself to those who love me." At this service we will have a prominent local visitor, Prof. A. C. Hampton, who will tell us of the chautauqua, at the time for announcements. The B. Y. P. U. will meet at the usual hour and be led by Miss Denham. Miss Hunterup, Field Director for our Young People, will be here June 28 and remain till July 1st. The evening service will begin at 8 and close at nine. As the other churches have no evening service except those announced, we invite all those who can to come and fill the little brick church for a lively spiritual service for one hour.—A. R. Sitton, minister.

M. E. CHURCH, SOUTH—Rev. J. M. Johnson, presiding elder of the La Grande district will preach at the 11 o'clock service and also at 8 o'clock. In charge of the adult department and Mrs. Starnes superintends the primary. Epworth League at 7:15. Mrs. Ella Baker leader. All are invited to attend these services.—A. J. Starnes, pastor.

CHRISTIAN CHURCH—Bible school at 9:45; preaching service at 11; Christian Endeavor at 7. The morning message will be given by J. J. Hawley, one of the elders of the congregation. There will be no evening service as the pastor will

be away in attendance of the Eastern Oregon convention of the Christian churches at Heppner.—O. W. Jones, minister.

ISLAND CITY COMMUNITY CHURCH—The services Sunday will be conducted either by the pastor or Miss Josie Bickland. Epworth League leader, Homer Schjoeder. The Intermediates are especially invited. After the E. L. there will be a song and praise service. Those who can come urged to attend the camp meeting at Wallowa lake—Hall K. Wallis, pastor.

FIRST CHURCH OF CHRIST, SCIENTIST—Corner of First and Washington. Sunday morning service at 11 o'clock. "God, the Preserver of Man." Sunday school at 9:45 a. m. Wednesday evening meeting at 8 o'clock. Reading room open to the public every Monday, Wednesday and Saturday from two to four. All are welcome to attend our services.

Richard Croker Will Settle. DUBLIN, June 15.—A verdict in favor of Mrs. Julia Croker was found today by the jury in a contest over the will of the late Richard Croker. The verdict, returned after a deliberation of one and one quarter hours, was that Croker made the will with a full knowledge of its contents and was of a sound mind. When the crowd in the court room realized that Mr. Croker won on all points they cheered him.

Salts Fine for Aching Kidneys

When Back Hurts Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.
