 Mrs. Charles Houghton will open a hemstitching shop after sewing 13 years as a dressmaker. It was announced today. She has been a designer and gown builder for the last four years in the largest hemstitching shop in Portland and is said to be thoroughly acquainted with every detail of the business. "We have come back to La Grande, our former home," Mrs. Houghton stated, "and in connection with my husband's business I will open my hemstitching and gift shop. I am handling a complete line of ladies' stamped goods and will be ready for business in a few days at 100 Fir street, opposite Thorn's grocery."

Pomona Grange to Meet.
 The regular meeting of the Union County Pomona Grange will be held with Wolf Creek Grange of North Powder on Saturday, June 23, and the members there are making plans to entertain a large number of members from other parts of the county. Mrs. Minnie E. Bond, state lecturer of Eugene, is expected to be present and also C. T. Dickinson of Oswego, one of the directors of the Grange fire insurance for Oregon. This will be the first trip of these two officials in this part of the state. The North Powder cooks guarantee all the visitors can eat. The Wolf Creek Juveniles will assist with the entertainment. This will be the first meeting for the new officers, and they expect to make it a "Hummer."

IRON CO. PAYS DIVIDEND
 (By Associated Press)
 STOCKHOLM, June 19.—Sweden's biggest corporation, the Grangesberg Iron Mining and Traffic company, whose activity is looked upon as a barometer of industrial conditions, reported in its report for 1922 a net profit of about \$3,860,000 on a total capital of about \$32,000,000. The board of directors proposed a dividend of 15 per cent. The quantity of iron ore shipped out during the year rose to more than 5,000,000 tons.

It is reported that prices of iron ore have been steadily sinking and are now only 25 per cent above those of normal peace times before the war.

ANTI-RUM FORCES REPORT
 (By Associated Press)
 BUENOS AIRES, June 19.—The Rosario branch of the Argentine Anti-Alcoholic League has made notable progress, according to Dr. Benito Velasco, the president of the institution, who told his hearers at a crowded meeting at Rosario recently that the wave of alcoholism, so noticeable all over the world since the close of the war in Europe, had threatened Argentina, but that thanks to the efforts of the league it was being successfully combated in the great cities of the republic.

He cited statistics to show that drunkenness was on the decrease and urged his hearers to continue the work of propaganda which had proved so beneficial in this respect.

NORTH POWDER NEWS

NORTH POWDER, June 19.—Mrs. Albert Hutchinson returned home Friday from the Baker hospital.

A number of North Powder people were entertained at the home of Mr. and Mrs. William Blodorn of Haines. Chris Johnson is moving in the Parker residence.

Mrs. Ballard and two daughters Marion and Betty returned home Wednesday from Washington where they have been visiting relatives.

Mr. and Mrs. Patterson, Mr. and Mrs. Grafie and Mrs. and Mrs. Forstrom motored to Baker Thursday.

W. A. Hundeson transacted business in La Grande Friday.

Miss Zella Wallace, Miss Lulu Davie and Mrs. Law left last week for Astoria where they intend to enter school.

Mrs. A. L. Pearson of Baker is here visiting relatives.

Mrs. Bob Jackson and niece Vera Dalton were in La Grande visitors Wednesday.

The Powder River Rodeo will be held June 21 to 23.

John Burdette, Earl O'Brien, Robert Carroll and Mike Carroll left Sunday for Wallowa where they will do grading on the railroad.

Willard Hutchinson was hurt quite badly while riding a horse.

Mrs. Lizzie McCullister received the sad news of the death of her brother-in-law, Mr. Van Long of Imbler.

GREAT GRANDMOTHER AT 46 HELD RECORD

HILLSBORO, Ore., June 19.—Three Oregon women are thought to have established records as youngest mother, youngest grandmother and youngest great grandmother. The records of Mrs. Yula Fellows of Strassel, mother; Mrs. Mattie Harper of Gales City, grandmother, and Mrs. Rose Forrest of Buxford, great-grandmother, are perhaps unequalled in this state.

Mrs. Forrest was a mother at 14 years of age, a grandmother at 28 and a great-grandmother at 46.

Mrs. Harper was a mother at 14 and a grandmother at 22.

Mrs. Fellows was a mother 18, at which time twins were born.

The three women are the wives of farmers living in Washington county and all are natives of Oregon.

Mrs. Forrest was a resident of Amity when her first child was born and Mrs. Harper resided in Dayton.

Mrs. Forrest is uncertain as to her claim to youngest great-grandmother in the state, as she had information several years ago that a woman living near Portland had a great-grandmother at 46. Mrs. Forrest has never been able to get accurate information concerning this woman, however.

MAJESTIC BEATS RECORD
 (By Associated Press)
 LONDON, June 19.—The liner Majestic made a record run recently up the Channel between Casquets and Cherbourg, traveling at one time at 29.7 knots an hour. The engines developed a speed of more than 25.5 knots and, with the tide running in her favor at between four and five knots, the liner was able to accomplish a performance no other liner has ever equaled.

On a recent trip from New York the liner also beat her own previous record for a day's run, doing 603 miles in 23 hours.

RECEIVED 278 CARS OF SHEEP

WALLOWA, June 18.—Wallowa has the distinction of being the most important receiving point for sheep in Eastern Oregon. The country tributary to this city has received 278 weeks, and more are expected. It is estimated that 40,000 head have been shipped in this spring. These sheep have come from points west of the Blue Mountains, principally. They will graze on the Forest reserve, the Bowman-Hicks land and other sections. In addition to the number shipped in, there are also a large number which have been wintered in this county.

Wallowa is by far the most important receiving point in this country. Enterprise has received about eight cars, and Joseph none. On the other hand only a few cars of cattle have come in.

In the National Forest permits have been issued for 69,163 sheep. Very few of the sheep shipped in so far are destined for the forest reserve, however.

Grain Exports Decrease.
 WASHINGTON, June 19.—Grain exports from the United States last week amounted to 2,375,000 bushels compared with 4,019,000 bushels the week before.

Figures given out Monday by the commerce department under the following comparison of grain exports last week with those of the week previous:

Barley, 50,000 bushels against 52,000; corn, 239,000 against 344,000; oats, 17,000 against 18,000; wheat, 941,000 against 2,155,000; and total, 1,246,000 against 2,549,000; flour, 191,400 barrels against 127,500 barrels.

Heat Fatal to Three.
 CHICAGO, June 19.—Chicagoans began their annual rush to the city's weather beaches Monday, when a summer out and little wind shot the mercury to 91 degrees, the highest temperature reading this year and the hottest June 18 in the 52 years' history of the weather bureau here.

Three deaths were said to have been superinduced by the day's heat.

D. A. Kitch, a salesman, dropped dead in a downtown office building, Charles Carlson died in the rear yard of his home, and William H. Ryan dropped dead in his home.

Little relief from the exceptionally high temperature was held out by the weather bureau, which said continued warm weather can be expected for the next few days.

FRANCE FORGING AHEAD
 (By Associated Press)
 LONDON, June 19.—The British authorities have been critical of late for their failure to promote radio communications on a world scale, and with permitting France, Germany and the United States to occupy this field to the exclusion of England.

It is pointed out that France is planning a great station at Tignes, in the Alps, and that in July she will open a high power station at Buenos Aires. Later in the year two other stations will be ready in South America. These will be in direct communication with the French station at Saint Anne, with Nauen in Germany, and with Long Island, New York.

From Saint Assise France by radio will reach India, China and Japan on the east, and North and South America on the west.

Chrysler Takes Over More Maxwell Stock
 Official announcement was made today that Walter P. Chrysler has largely increased his holdings in the Maxwell Motor Corporation and that he will be permanently and exclusively associated with the corporation from this time forward.

Mr. Chrysler was retained nearly three years ago as chairman of the board of directors to undertake the development and rebuilding of the Maxwell-Chalmers properties, but did not relinquish his other important activities or enter into an exclusive arrangement or agree to a permanent association.

Mr. Chrysler is looked upon within the motor car industry as one of the half dozen great executives whose movements are always of considerable significance. Before associating himself with Maxwell he was president and general manager of the Buick Motor Company, and later a president of General Motors. His definite, permanent identification with Maxwell-Chalmers is expected to arouse widespread interest among automobile men.

plenty of good legal advice at present as he holds a position on the circuit court jury.

FORMER DAY ATTIRE WORN AT MEETING

(Continued from Page One)

phantasia was made, upon them a plea that the entire community get behind the event this year.

A. W. Nilson, secretary of the Old Oregon Trail association, reported on the program of the pageant and said briefly: "It's going ahead so fast that it is all we can do to keep up with it."

He also stressed the fact that the charge of the pageantry would be but 50 cents for adults and 25 cents for children with positively free parking and free camping grounds.

No charges will be made for cars, camp, etc., and runner contracts are without information. Private propaganda is held responsible for many of the reports regarding supposedly "high prices."

Rodeo Announced.
 Mr. Nelson also mentioned the North Powder Rodeo which will be held June 21-23, inclusive. A large delegation from La Grande are expected to "take in" the affair.

But to return to the frontier dress. Claude Scranton took all mounted honors. He led a parade, consisting of himself and one Ford sedan, mounted on a wee pony and dressed in the long square front frock coat, equipped with an imposing star and dignified expression. His name deplume was Big Jess.

Ralph Hiron, disguised as a squawman from Yakima, Ernest Watkins, representative of a fur dealer of Hias Front Saloon and carrying the name of "The Horn, Two Gun Toll, of Whiskey Flat, ready to battle for love or money or anything, and Alkali Ike, of Rattlesnake Gulch, made up an interesting quartette.

They were requested to sit at the same table with Big Jess so as to be under proper supervision.

To go into detail of the clothing is too big a task to undertake—but needless to say, they were plenty of variety.

Chairman Perkins announced "frontier attire week" which begins June 25th and continues until the pageant is over with—stressing the fact that Judge Hirth is getting ready to go.

white collars, other clothing representative of later decades should be worn. "But lay off the white collars" was his final warning. "Or the kangaroo court will get you." z

La Grande, along with Pendleton and Baker, is heartily entering into the spirit of the "frontier day" week and pitch-back coats, bell bottom trousers, dinner jackets, party dresses, resplendent gaudiness and the like are being discarded until after the pageant.
