## Three in One Family Restored By Tanlac

### All Gain Renewed Health, Strength and Increased Weight, Declares Mrs. Brownstein — "It's Just Grand," She States.

"Both my two daughters and myself are now taking Tanlac and improving every day," said Mrs. Radio Brownstein, a highly respected resident of 1710 Pacific street, San Francisco, Calif. "For several months before I began taking Tanlac I had been in miserable health. I was losing weight, felt drabby and out of sorts all the time and seemed to have absolutely no amount of energy. I got so weak I couldn't do my work, and just would drag around in the house. I had no appetite at all and could go for days without eating a thing and

never feel the least bit hungry. I never slept well, just lay awake for every night, and got up morning feeling exhausted and miserable. I have taken two bottles of Tanlac now and am feeling fine. I have already gained over five pounds in weight, for my appetite is splendid and I enjoy every bit of my food. "That exhausted run down feeling is gone, for I sleep like a baby every night, and I feel as well and strong as it is a pleasure to do my housework. My two daughters were taking Tanlac soon after it began to help me so much, and we are all three gaining more and more every day. We just think Tanlac is grand!" "Tanlac is for sale by all good druggists. Avoid no substitute. Over 27 million bottles sold."

# "BULL" DURHAM

### Read this

- You will be amazed to see how the use of "Bull" Durham tobacco will cut down the cost of your smoking. Remember, "Bull" gives you 50 cigarettes of the best flavor and quality for 10 cents.

This means easily a saving for the average smoker of from \$1 to \$1.50 a week—\$52 to \$79 a year.

Seventy-nine dollars will buy lots of things. A radio set, a talking machine, a very fine suit of clothes, a set of fires, the first fifteen payments on a Ford, a good-sized insurance policy.

Hard to roll your own? Not really. Give yourself a chance to learn, this way:

Carry a sack of "Bull" in your pocket all the time, as well as your regular cigarettes. Every time you think of smoking a cigarette pull out your sack of "Bull" and try rolling one.

By the time you've used the sack you ought to be a convert to the mild, delightful flavor of "Bull" Durham tobacco.

Restless Mrs. April 21st 1923

The American Tobacco Co  
Durham N.C.

Dear Sirs after reading your Bull Durham ad in the paper I decided I would try Bull for a month and see for my self.

I used to smoke 2 packages of 154 cigarettes a day and during the first month I have smoked 24 sacks of Bull so this is what I saved

60 packages of cigarettes at 15¢ = \$9.00  
24 sacks of Bull Durham at 10¢ = \$2.40  
I saved \$6.60 a month smoking Bull

This letter is to thank you for the money saving tip. I am sincerely  
W. D. Andrews
