"La Camille" works wonders in gently persuading surplus flesh into fashion's silhouette—makes your gown a smooth, fitting success. You'll love the new models of "La Camille" giving you the lines and buoyancy of youth. Low-topped and of dainty fabrication—lightly boned—but visible only in their benefits. Distilled oil is best

You wouldn't think of using plain water in your batteries; certainly not. You always get distilled water, because all impurities are distilled out of it.

SUNOCO
THE DISTILLED OIL

Is different from other oils. We found the difference by making scientific tests. In Sunoco, all impurities are removed by distillation. It's all oil—pure lubrication.

You will safeguard and prolong the life of your car by using Sunoco; get more power and quiet efficiency; reduce motor troubles. We discovered these facts from our tests. We know.

There are six types of Sunoco—all wholly distilled. One of them is best for your car. Ask any Sunoco dealer for booklet, "What's Happening Inside Your Motor."

Why Suffer from Rheumatism?

Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.—Adv.
