THRILLING AERIAL SCENES RIG FEATURE OF PHOTOPLAY "THE GO-GETTER"

The most thrilling and picturesque aerial scenes ever staged for a motion picture, it is said, were made in the filming of "The Go-Getter," a Cosmopolitan production of a Peter B. Kyne story, which D. H. Griffith directed and which will be the feature at the Arcade Theatre for three days beginning Thursday.

The shooting of these scenes took place at Curtis Aviation Field, Mineola, and other parts of Long Island and in the International Studios in New York.

This particular part of the picture entails nothing but night scenes, the most spectacular of which is one showing a race between an aeroplane and a speeding express train. This scene is expected to be a revelation when shown upon the screen, especially the part where the speeding train is shown as "shot" from the flying aeroplane. It brings to the screen some directorial ingenuity and also some exceptionally splendid photography.

In the making of these aerial scenes for "The Go-Getter" Director Griffith had the co-operation of the Curtiss Aeroplane and Motor corporation, which released an air machine for certain "shots" that were taken in the International Studios. William J. MacMillan, assistant manager at Curtiss Field, designed the apparatus and supervised the setting up of the aeroplane in the studio, assisted by members of the Curtiss engineering staff, who worked out various safety factors and perfected other details.

T. Roy Barnes, Seena Owen, William Norris, Tom Lewis and Louis Wolheim are featured in "The Go-Getter." The cast also includes Fredrick Santley, John Carr, William J. Sorell, Jane Jennings and others.

SHERRYS—LAST DAY

"The Beautiful and Damned."

Marie Prevost who portrays beautiful Gloria in this production has been accepted by the critics as one of the most beautiful girls in America. The novel is one of the best sellers of years and all readers of the book will want to see the picture. Warner Bros. productions shown at this theatre are examples of the highest art in the picturization of popular novels.

FIRST WOMAN AGRICULTURIST

(By Associated Press) EDMONTON, Alta., June 26.—The degree of bachelor of science has been awarded Miss Sheila Maryyatt, the first woman graduate in agriculture from the University of Alberta. She completed the prescribed three-year agricultural course with honors in a class of several hundred men.

Miss Maryyatt, sister of the Hon. Irene Urquhart, minister without portfolio in the Alberta provincial cabinet, has announced that she will take up a quarter section near Aird, Alta., and will apply scientific agricultural methods to the land. Miss Maryyatt believes that women can succeed as farmers just as well as men.

Recommends Chamberlain's Tablets. "Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do you good.—Adv.

But the Sandwich hits the spot!

You know how it is, fellows; pop-corn and apples and all-day suckers are good enough in their way, but when it comes to a downright good lunch—for that after-school hunger, there's nothing quite hits the spot like a boxful of good sandwiches! Try these next time hunger hits you:

Honey and Nut Sandwich
Shape and butter the bread with slices of bread, then spread lightly with honey, taking care not to spread it quite to the edge. Sprinkle the bottom slice with chopped nuts (black walnuts, pecans or hickory nuts). The two slices should then be pressed together. A garnish of a hot nut may then be used as decoration on top by dipping the under side of the nut in honey and sticking it on to the sandwich.

Marmalade and Cream Cheese Sandwiches
Mesh one cream cheese and add two tablespoons of marmalade and one tablespoon of finely chopped walnuts. Mix thoroughly and spread between buttered slices of whole wheat, Graham or white bread.

For perfect sandwiches, start with—
Superfine Milk Bread
—the loaf so sweet and rich, any regular feller would rather eat it than cake, any day.

Why Suffer from Rheumatism?
Do you know that nine out of every ten cases of rheumatism are simply rheumatism of the muscles or chronic rheumatism, neither of which require any internal treatment? The pain may be relieved by applying Chamberlain's Liniment, which makes sleep and rest possible, and that certainly means a great deal to any one afflicted with rheumatism.—Adv.
