Washington U Wins Regatta

POUGHKEEPSIE, June 29.—Eight stalwarts of the University of Washington, stroked by a brilliant young oarsman who rose from a sick bed to row the race of his career, smashed the two year reign of the Navy's crews and swept to dramatic triumph Thursday in the premier test of American college rowing.

Through a driving downpour, Washington and the Navy fought it out for supremacy over the last mile of the varsity struggle, after distancing their four other rivals, and the Pacific coast men won because they possessed the greater stamina and finishing power.

Columbia is Third.—Trailing two lengths behind the Navy came Columbia, which weakened after setting the pace for more than a mile. Syracuse, fast overhauling the New Yorkers, finished fourth, another three quarters of a length back.

Only inches separated Washington from a double triumph, for it fancy and powerful freshmen eight, the only other Purple and Gold entrant, lost to a great Cornell yearling crew by that margin in the closest winning finish in intercollegiate regatta history.

The official times of the varsity event were: Washington 14:03 3-5, Navy 14:07 2-5, Columbia 14:15 4-5.

Still A Girl

In bloom and beauty—due to clay By Edna Wallace Hopper

After 32 years as a stage star, I look like a girl of 19. My complexion is as soft and rosy as a debutante's. My skin is as smooth and youthful as 40 years ago.

All women marvel at my looks when they see me play young girls' parts. But my same methods brought like results to scores of my beautiful friends. So I am convinced that most women can, in these ways, multiply their beauty and preserve their bloom.

Now I have arranged so all who wish may employ the methods which did so much for me.

White new-type clay The chief essential is complexion clay. Famous beauties have long used it. No woman can without it look her best. The users of facial clay stand out in any crowd.

French experts introduced clay to me some 20 years ago. But clay since then have been very much improved. The crude and muddy clays so many use today are out-of-date.

Able scientists have been studying clays for 20 years and over. They have found that a certain mineral-laden clay brings maximum results. They have learned how to refine it by removing the useless mud. The clay I use—my Youth Clay—is white and clean and dainty.

They have found some added factors which bring multiplied results. So the oldest users of crude, old-time clays will be amazed at this new clay.

What Youth Clay does Youth Clay purges the skin of all that clogs it. Thus it removes the cause of sallowness, blackheads and blemishes. It draws the blood to the skin to nourish and renew it. The result is that radiance, that seeming new complexion. Many women, in 30 minutes, seem to drop ten years. It firms the skin, smooths out lines and wrinkles, reduces enlarged pores. My own face shows clearly what constant use will do. I owe my fame and fortune largely to this clay.

Abandon those crude clays which soil many years ago. See what White Youth Clay can do. It will bring you, as to me, multiplied effect.

All druggists and toilet goods dealers now supply Edna Wallace Hopper's White Youth Clay. Price 70c and \$1 per tube. Also my Youth Cream, based on lemon and strawberry. This should follow the clay. Also my Facial Youth—my famous hair cleanser. Also my Hair Youth which brought my luxuriant hair. My Beauty Book comes with each.

See what Youth Clay does. You owe that to yourself. If you are not delighted with the first tube, your dealer will return its price. I want no woman to ever lose by taking my advice.—Adv.

The Home of the Soul. In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Cham-berlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.—Adv.
