Kangaroo Court Working Hard—

Kangaroo Court has done noble work for the past few days in the removing of the white collar wearers from the streets of this city. Judge Birnie has shown no leniency toward the criminals who break the law by wearing the forbidden collar and has carried out his work of dealing judgment to the culprits with unerring judgment. Good word must also be spoken for the police and deputies who have succeeded so well in bringing the high collar gentlemen before the judge. The chief sentence for the past two days has been that of carrying the banner up and down the main street advertising the dance that the Oregon Trail Association is holding tonight at Meacham.

Be Your Own Landlord

COME OUT SUNDAY, JULY 1ST.

A wonderful chance to get a home site at Riverside is now offered you. One of these lots, with room for home, garden, fruit and chickens is yours for only five dollars down and then only five dollars a month.

NO INTEREST FOR TWO YEARS.

This land is sold absolutely free of interest for two years. Only 8 per cent interest on deferred payments after two years from date of contract.

BARGAIN PRICES

We offer these lots at $58 to $398. They are positively the biggest bargains in La Grande property today.

Riverside will easily double every dollar you plant there.

DISCOUNTS

A discount of 10 per cent is allowed on lots paid in full within 30 days.

PERFECT TITLE

Contracts are drawn up in office of Wm. Miller, 113 Depot street.

The title to this property is perfect, and you get a warranty deed of title upon completion of contract.

All your payments are made at the office of Wm. Miller, except the first five dollars, which is paid at the grounds.

Purchasers should bring their five dollars with them and avoid disappointment, as no land is reserved without a deposit.

OWN YOUR OWN HOME

The majority of people go through life never owning a home of their own. They have paid in rent many times the price of a home, but have nothing to show for it but a bunch of worthless receipts, which would not buy a shingle for their own home.

RENT IS A DEBT

Rent is a debt that is never paid. You can pay rent all your life, and when old age comes, if you cannot pay, the landlord will turn you out into the street, although you have paid him the price of your house every ten years.

A rented house is not a home.

The ancient Talmud said: "He that owns no land is no man."

Henry Clay said: "When a man becomes the owner of his own home, a new patriot is born to the nation."

NOW IS YOUR CHANCE

In order for you to own your own home you must own your own land first.

Perhaps you have never felt able to own land.

But since we offer you this grand opportunity there is no longer any excuse for your not being a home owner.

We have put the price and terms within your easy reach.

BE YOUR OWN BANKER

When you put money in real estate you become your own banker.

Real estate is the foundation of all wealth.

The best investment on earth is a part of the earth.

THIS SMALL MONTHLY PAYMENT

Will make you a land owner.

Will start you toward a home of your own.

Will put you on the road to prosperity.

Will make you independent in your old age.

Go out Second street over the viaduct to Riveria School and you are on the Addition. If you want any further information, phone our office—Main 4
