BLAME SCHOOLS FOR LIFE ILLS

(By the Associated Press) SAN FRANCISCO, Calif., July 5.—The United States is the only great nation of the world which has never had the official sanction of religion.

The founder of the American government, under the influence of French pre-revolutionary doctrine, so thoroughly believed in toleration that they completely separated church and state, neither recognizing the church nor proscribing it.

German Tobacco Threatens. TOKIO, July 6. (AP)—Although protected by a customs duty of 355 per cent ad valorem, the Japanese tobacco monopoly held by the government had a scare thrown into it last month when the returns of importation showed that German cigarettes were being dumped here and being sold at a price below that charged by the monopoly.

Mennonites Plan Conference. FREEMAN, S. D., July 6. (AP)—Preliminary arrangements have been perfected for the national meeting of the Mennonite General Conference to be held here next month. This lit-

the town of scarcely a thousand persons is preparing to entertain between four and five thousand visitors who will attend the conference. The meetings will last a week and will be held on the campus of Freeman college, a Mennonite school. Freeman was chosen as a meeting place because there is a Mennonite colony, Wolf Creek, near here. This is the third such meeting to be held in the United States, members of sect declare.

TEACHERS SAVE EVEN 'SOUEAL'

(By the Associated Press) OAKLAND, Calif., July 5.—The educator beats the park-packer's record for letting nothing go to waste, for in the rear of the cotter and the deep boom of the cotter, from the educator has capitalized even the squeal. Miss Josephine A. Jackson, psychopathologist of Pasadena, Calif., told the department of kindergarten education, National Education Association, here today. Miss Jackson said:

"Teachers should capitalize the child's curiosity, his pugnacity, his initiative, his restless alertness. The subconscious is the heart of man. It is the reservoir of impulse. Business and human society capitalize native impulse. Education has the advantage of getting nearer the source of its work than does business or society, and strives to let no unfortunate channel be opened at the outset and to see that no repressive measures hinder free flow.

"It is the function of education to favor expression of the life-force, and to guard against suppression or repression of impulse. For the impulse is the life. Education should be the committee on ways and means, adapting the wealth of native impulse to present-day reality."

MANY MAXWELL AND JEWETT CARS SOLD

C. W. Bunting, local distributor for the Good Maxwell and Jewett automobiles in this territory, have just set a new record for their firm by making delivery of twelve automobiles in a six day period. Of these, nine were new cars and three used machines were sold.

The Good Maxwell Sport Touring, which has proven very popular throughout this season, ran true to form and heads the list, five of this model being delivered to the following purchasers: Andrew Anderson, George Fager, Denver Charlton and Guy Warren, all of La Grande, and Dr. H. M. Thomas of Wallawa. A Good Maxwell Standard Touring was delivered to Jess Tarnbow of this city.

The demand for Jewett cars, which has far exceeded the supply, was slightly relieved through the delivery of three machines. Otis B. Veitch chose the beautiful Special Touring model while S. C. Smith drove out a sedan. F. S. Hettler of Enterprise came into La Grande to take delivery of a Standard Touring model.

Baptists Will Be Represented.

LONDON, July 6. (AP)—Britain's delegates to the forthcoming Baptist World Congress at Stockholm will number 581. They will sail the latter part of July on the liner Marloch, which will be their home or hotel during the conference.

"A large number of delegates have been appointed for Russia," Rev. J. H. Shakespeare, secretary of the Baptist Alliance, said recently, "but we don't know if the Soviet government will allow them to attend the congress. Altogether we have registered 2,500 delegates from all countries, excluding Russia, and the congress will be the largest ever held. The delegates will represent ten millions of Baptists."

"It may be comedy for you but it's tragedy for me."

So said a young man to us with a painful smile. His heart was in those words. His story was common; his opportunity had come and found him with only five dollars cash. It required less than five hundred.

Reader, we do not preach about saving. We speak from the experience of others—men and women like you. Regular saving pays.
