New Designs Favored for Philippine Stamps

(By I. N. S.)
MANILA, Aug. 9.—New designs for Philippine postage stamps, depicting Filipino national heroes and beautiful native scenes, are being considered by the local postal authorities. The Washington Bureau of Printing, which prints Philippine stamps, has been requested to temporarily suspend work on the local supply. The present two-centavo stamp bearing the portrait of Rizal will probably be retained and a new 18-centavo stamp adopted.

How About You?
Of course you'd rather aim far from hitting our wagon to a star. But if the stars will all ignore us, we still have hopes to make the chorus.

YOUR CREDIT IS GOOD **CARR'S** WE CHARGE NO INTEREST

NOTICE
Notice of Hearing on Proposed Street Improvement.
Notice is hereby given to all whom it may concern that the Commission of the City of La Grande, Union County, Oregon, proposes and intends to improve Improvement District No. 124 in the City of La Grande, Oregon, in accordance with the plans and specifications therefor heretofore adopted by the Commission, and that the report of the committee on estimates for said improvement is now on file in the office of the Recorder of the City of La Grande, Oregon; that the said Commission has set Wednesday the 22nd day of August 1923, at 7:30 o'clock p. m. of said day, at the Commission Room in the City Building in La Grande, Oregon, as the time and place when and where said Commission will meet and hear and determine all objections, remonstrances and claims of grievance of any persons against said proposed improvement and the proposed assessment therefor against the property to be benefited thereby in said district.

Avenue to the center of the alley in Block 12 in Grandy's Addition to the City of La Grande, Oregon; thence north along the center line of said alley to the center of Spring Avenue; thence east along the center line of Spring Avenue a distance of 160 feet; thence south along the center line of Second Street a distance of 190 feet; thence east on a line 190 feet from, and parallel to, the center line of Pennsylvania Avenue to the center of Block 97 in Chaplin's Addition to the City of La Grande, Oregon; thence north along the center line of said Block 97 and Block 103, Chaplin's Addition to the City of La Grande, Oregon, to the center of Depot Street; thence in a northeasterly direction along the center line of Depot Street to the center of Washington Avenue; thence in a southeasterly direction along the center line of Washington Avenue to the center line of Eighth Street; thence south along the center line of the alley in Block 63, Chaplin's Addition; thence west along the center line of the alleys in Blocks 63-64-65 said Chaplin's Addition; to the center of Block 65 said Chaplin's Addition; thence south along the center line of Blocks 65 and 60, said Chaplin's Addition to the center of N Avenue; thence west along the center line of N Avenue to the point of beginning, all within the City of La Grande, Union County, Oregon.

That the said proposed improvement will consist of constructing

That the boundaries of the district to be improved and benefited by the said proposed improvement as finally adopted by the Commission are as follows:
Beginning at a point at the center of the intersection of N Avenue and Fifth Street in Chaplin's Addition to the City of La Grande, Union County, Oregon; thence west 110 feet along the center line of N Avenue; thence north along the center line of Blocks 59 and 60 in said Chaplin's Addition to the City of La Grande, Oregon, to the center of Block 60, in said Chaplin's Addition; thence west along the center line of the alley in Blocks 65, 67 and 68 in said Chaplin's Addition to the center of said Block 68, thence south on a line 160 feet from and parallel to the center line of Pennsylvania Avenue, to the center of Cedar Street; thence north along the center line of Cedar Street a distance of 350 feet; thence east on a line 190 feet from, and parallel to, the center line of Pennsylvania

About Spark and Mixture

A retarded spark and rich mixture will heat the exhaust manifold "white hot." It may set fire to your car—first igniting the gasoline under the hood. You may prevent the total loss of your car by seeing over the carburetor adjustments regularly.

There are other common causes of fire, some of which cannot be easily detected. Even a minor blaze in your car or garage means an outlay of cash for repairs. It is wise to insure your car against such loss.

Get automobile insurance here covering fire, theft, collision, liability and property damages.

BLUE BOAR

English Blend Cigarettes

A New Cigarette ~ a new blend

We call this new cigarette Blue Boar because it is developed from America's favorite fine tobacco, Blue Boar Pipe Mixture. For 19 years its tobaccos have been the finest obtainable—eight rare types of the choicest American, Turkish and Egyptian. Here was no chance for betterment.

The secret of this new-type cigarette is in a newly discovered method of blending. This may sound commonplace to men who have felt that the limit of refinement had been reached, but you will be as surprised as others when you smoke your first pack of Blue Boars.

Triple Blending
Blue Boar tobacco is triply blended. The ordinary process is but a single blending, which now seems crude. Yet for years experts have considered one blending sufficient, and have searched elsewhere for refinements.

In Blue Boar we blend the two American tobaccos separately. Likewise the five Turkish. Then we give the Latakia from Egypt a mellowing treatment. Each tobacco develops its finest characteristics. A third and final blending insures a rare and distinctive combination, such as you've never known before. The old way never could bring such perfection.

It is a costlier, slower process—but worth it, as you'll agree. The result of this simple discovery makes all the difference in the world—an entirely new taste, a refinement of all refinements.

Try Them Today
Buy one pack of Blue Boars. We promise you a delightful surprise. You'll undoubtedly adopt Blue Boars as your final favorite—and never switch again.
