DADDIES, SONS HAD FINE TIME

On the Jerry Thompson Ranch They Pitched Their Tents and Made Merry.

Returning from the camp where they had been for three days and nights the daddies and sons of the L. D. S. people are about as happy a crowd as one ever encountered.

George Lyman, prominent churchman, is running around on a flat wheel today due to the fast game of base ball which the boys put up and Bishop C. J. Black up against.

They organized in squads for croquet, wood rustling etc., and each morning they had a flag drill and prayer. Sam Andrews as head of the Mutual Improvement association, was in charge of the entire occasion and as commanding officer he is recognized as a thorough success.

The mothers and daughters of the L. D. S. church will go to the Hill-gard camp grounds Thursday night to enjoy an outing.

KHALED TEMPLE SENDS MANY TO DOKKIE CAUCUS

Khaled temple No. 176, D. O. O. K. will be well represented at the important session of the Dramatic Order of Knights of Khorassan at Portland, Oregon.

The Khaled temple band, dressed up in new costly uniforms, will be made up of Dokkie musicians belonging in this city, but living in various sections of Eastern Oregon and the Khaled temple brigand team has been delegated to Pendleton.

The Enterprise Dokkies who also belong to the La Grande temple, will sponsor the Enterprise Philharmonic orchestra's appearance at the programs.

Scores of cars have already left for Portland bearing Dokkies from all parts of Union and Wallawa counties.

Among the local members of the order who have left for the Rose City are Bruce Cox, Wallaw, H. E. Dixon and family, J. McCarthy, W. A. Moss, H. W. Riley, William Miller, Ralph Byers, R. A. Cook, Ed Graham, Dexter Melroy, Robert Alexander, J. E. Doodell, and the two official delegates from Khaled temple, C. K. McCormick and C. W. Moore.

The above list of Dokkies who are either already in Portland or are on their way is far from complete as many others also made the trip.

La Grande has the distinction of always being well represented at a convention of importance and this week will witness one of the most complete La Grande attendances at any convention of the kind.

Orchestra Leaves Enterprise ENTERPRISE, Aug. 11—it is all aboard for Portland for the Enterprise Philharmonic orchestra next week. The party left Sunday morning and will return the following Saturday.

On Sunday the orchestra went to Pendleton and gave a concert in the Rivoli theatre that evening. On Monday they will go on to Hood River, and will drive into Portland Tuesday morning.

They will play in Portland, Tuesday, Wednesday and Thursday, as follows: Tuesday afternoon, public concert in park at Tenth and Salmon streets. Wednesday noon, at reception and luncheon to be given to visiting ladies to the D. O. O. K. convention, in Multnomah hotel.

Wednesday night, at Oregonian radio broadcast station, which will send their music all over the United States.

Thursday afternoon at Multnomah field, where will be held a great gathering, with competition of drill teams and bands from many parts of the nation. The only orchestra there will be that from Enterprise.

Friday morning, the musicians will start for home. They are not likely to come all together, as some may wish to visit, or to make side trips.

BRITISH HOLD RUHR SEIZURE TO BE ILLEGAL

(Continued From Page One.) but he plainly declares that Great Britain cannot accept the decision of the reparations commission on this matter, since that commission has become the mere instrument of Franco-Belgian policy.

Adheres to Bonar Law Plan. Finally, Lord Curzon declares that the British government still adheres to the plan of former Premier Bonar Law, under which Great Britain would be satisfied to obtain from German reparations and allied debts to Great Britain a sum sufficient to meet Great Britain's obligations to the United States.

The British note remarks that "it is difficult to think in what way greater consideration should have been shown to the Franco-Belgian point of view."

NEW MODELS OF BUICKS ARRIVE

When the news finally broke, bringing to La Grande folks the much awaited announcement of the new model Buicks, no one ever dreamed that engineers and artists could so successfully co-ordinate their skill in the creation of such a masterpiece.

Those who first saw it, says S. O. Voorhies, mgr. of Southard & Shinn, were amazed at its balance, its harmony of lines, the individual touch of an artist's hand. Those who first rode in it were puzzled at its uncanny performance, swift in its get-away—effortless in out-performing any similar mode of travel, so smooth and flexible in its slow-up that makes one grin with delight at the instantaneous control telegraphed to those four safety brakes.

This is one car that ad writers can't quite describe, for it really takes the word-of-mouth praise of those who have actually seen these new models to properly advertise them. The good word went faster than we had anticipated, and as a result, says Voorhies, our show rooms have been a rendezvous for unusually large crowds of motorists and admirers.

This unprecedented demand for new Buicks has brought to us the cream of Used Cars as trade-ins. Many of them are Buicks, and I want to say, explained Mr. Voorhies, that my list is off to these earlier models, because these are the cars, thru their excellent performance in the hands of tens of thousands of owners for many years back, made possible the immediate acceptance of the new Buick as America's leading car for 1924.

With Buick's ability to beat competition, we are not compelled to trade in poor used cars, nor buy good ones in at high prices under competitive conditions. We are selecting our used cars wisely, says Voorhies, that we may give La Grande folks the advantage of high class merchandise at low prices. Add to this our "ENVELOPE" policy of telling the buyers the real truth about our cars, and it becomes obvious that we are in line for the largest used car business of our career.
