Bairie Signed For Labor Day

Will Meet Bert Taylor in 10-Round Main Event of September 3 Boxing Card.

Labor day in La Grande will find Gus Bairie, local pugilist, matched against Bert Taylor, in a 10-round main event, according to announcements made just before the Evening Observer goes to press. Further details of the match up of Bert Taylor have not been released.

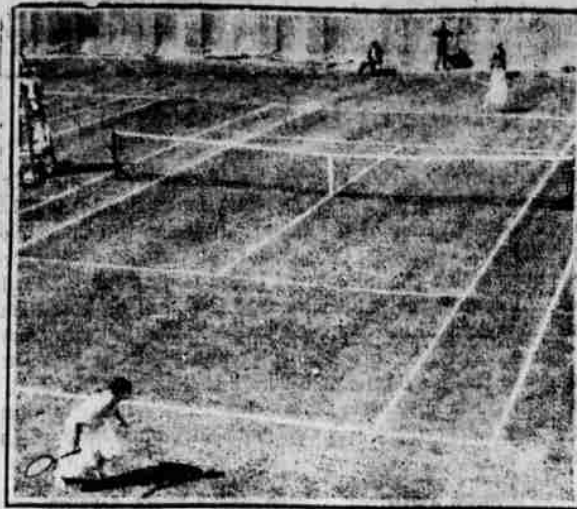

Bairie, with his training quarters at Joe Carr's residence fitted up in the most modern manner, is grinding away daily getting into shape for the coming match. The regulation 16-foot ring, with a rubber table, showers, both heavy and lightweight punching bags, are serving to give him every advantage in improving his condition as rapidly as possible. Taylor's manager promises his man to be a first-rate fist flinger who will put up a fight of worth.

EMMETT TEAM WINS FROM JEROME NINE

EMMETT, Ida.—By defeating Jerome by a score of 7 to 6 in the eleventh inning here Sunday afternoon, Emmett is a general favorite among local depositors to win the 1923 state baseball title. Sunday's exhibition, the first of a two game series, provided all the thrills that gusty fans, and Alexander's three tagger in the eleventh, with Anton on second, furnished a fitting climax for the season beside counting the winning score.

Pocatello Beats Boise All-Stars. POCATELLO, Ida.—The Pocatello team duplicated the 19 16 3 score made Saturday and made it two straight games over the Boise Mountaineers in the first game of a doubleheader played at Cody park Sunday afternoon. The second game was called by the manager of the Pocatello squad at the end of the third inning. At that point, after a slay home, hit and run session, during which time the Bears hammered Kins for six hits, one home run, two triples and three singles, the score stood 4 to 2 for the Gate City squad.

How Helen Wills Won

This picture tells the complete story of how Helen Wills, 17, of California, defeated Mrs. Molla Bjurstedt Mallory, seven times national women's tennis champion. That is Molla in the foreground, in mad pursuit of a ball that hit near the back line. Tennis shaps say that Helen won by keeping Molla on that back line, never allowing her to come to the net.

They don't answer

When the telephone operator says, "They don't answer," it is after a sincere endeavor to get your party. She cannot compel an answer.

The party called may be unwilling to leave a particular household duty—may be in another part of the home beyond closed doors—may be marketing—may be slow in answering. Strange, but true, calls are sometimes designedly unanswered. Telephone records show that the great majority of "don't answer" reports come from residence calls. In business where it is a matter of dollars and cents, it is always the assigned duty of some one to be within sound of the telephone bell.

"They don't answer" is the statement of a situation absolutely beyond the control of the telephone operator.
