

Evening Attire

When a man buys evening clothes, the question of correctness is his chief concern. He knows instinctively that the real charm of evening attire is based on its unswerving fidelity to good form, to those subtle niceties of style and tailoring which tradition firmly demands.

Evening clothes tailored by us are in exquisite good taste. They are correct in every essential of good workmanship, style and fabric, and will render the most satisfactory of service. Made of fine serges and unfinished worsteds in diagonals and invisible herringbone, richly trimmed.

FAMOUS FRENCH RECIPES
By Alice Langelier
(I. N. S. Staff Correspondent)
Eggs A La Aurore
PARIS.—Eggs a la aurore make an excellent hors d'oeuvre when one uses of the usual cool salads.

Prepare a good quantity of rice and cook with salt water so that the grains remain separate. Make a thick bed of it on a large platter. Boil hard as many eggs as needed and distribute over the rice.

Make a good tomato sauce with the pulp of fresh tomatoes and pour it over the eggs and on the rice. Serve while warm.

Pineapple Pudding.
PARIS.—In a little hotel in picturesque old St. Malo a former chef of the Rothschild family is now preparing tooth-ome dishes for the lucky guests who happen to run upon this spot.

"Create a 'banana' which is a kind of strange pudding, is one of his favorite desserts. He says to first fry half slices of bread in good butter. Lay them on a large serving platter. Cook as many slices of pineapple as you have toast, with enough sugar to make a thick syrup. Add a bit of lemon or orange juice and a bit of vanilla to taste.

Place a slice of pineapple upon each piece of toast and pour the sauce over it all. Serve while warm.

Same Old Story Out a Good One.
Mrs. Mahala Burns, Savanna, Mo., relates an experience, the like of which has happened in almost every neighborhood in this country and has been told and related by thousands of others, as follows: "I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about nine years ago and it cured me of flux (dysentery). I had another attack of the same complaint three or four years ago and a few doses of this remedy cured me. I have recommended it to dozens of people since I first used it and shall continue to do so for I know it is a quick and positive cure for bowel troubles."—adv.

Cause of Appendicitis.
When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.—adv.
