

### CREAMERY MEN VISITED CITY

A. P. Henington and Roy Goodhue, creamery men, were in La Grande Thursday from their respective homes in Portland and Spokane. They are looking over the possibilities of the Union Creamery in this city, and a third story to the building will be erected in the near future.

They journeyed to Baker today, where several business matters required their attention.

Mr. Henington is connected with creameries in Alaska and in the Orient; in fact in practically all the states west of the Mississippi.

**Golf Ball Kills Blue Jay.**  
HEMPSTEAD, N. Y. (AP).—Jesse E. Richards, president of the Hempstead Golf club, killed a blue jay Wednesday with a ball which he drove from the eighteenth tee. Just as he struck the ball the bird flew from a tree. Both bird and ball fell close to the tee.

Do not be afraid of making a blunder. The man who keeps blundering on is more apt to get something than the man who attempts nothing.

#### Cause of Appendicitis.

When the bowels are constipated, the lower bowels or large intestines become packed with refuse matter, that is made up largely of germs. These germs enter the vermiform appendix and set up inflammation, which is commonly known as appendicitis. Take Chamberlain's Tablets when needed and keep your bowels regular and you have little to fear from appendicitis.—adv.
