HATS

THERE is no hat worriment to the Stetson wearer—he is as sure of the style of his hat as he is of its quality.

Young men in the style centres of the world recognize Stetson leadership in style as well as quality.

A couple of minutes in our store with the new models will tell you what we mean.

BAKER FARMERS
DEMAND A FAIR

BAKER—The farmers of Baker county are demanding a county fair. The business men of Baker are supporting the movement. One hundred twenty-six local businessmen—taxpayers, of course—yesterday signed a petition circulated by Joe Axford, requesting the appropriation of \$2500 in 1924 for a county fair.

The idea was originally fostered by the farmers of Baker valley. The professional and business men quickly added impetus to the movement. Petitions are being circulated in Eagle and Pine valleys and these will be presented with the local petition to the county court to be acted upon by the tax commission. County fair is in the air, and no doubt the people will get their wish and take another progressive step.

An ideal wife is one who begins each day cheerfully, being unable to remember what she was putting about yesterday.

Attention Moose.

All Moose are requested to meet at Bohman's chapel at 2:30 p. m., Thursday, October 4, to attend the funeral of our deceased brother, John Flint.

The Secret of Getting
Good Snapshots

EVEN for a beginner it is very easy with Anso Speedex Film.

Why?—simply because a way has been found to increase the adaptability of this film to varying light conditions. Thus, while some film is good for very fast pictures, and other film good for long exposures, Anso Speedex Film reacts to both equally well—it has a wider range.

You will appreciate this the first time you try it. In any make of camera, it "fits the light." Get "six out of six" next time. Ask for Anso Speedex Film.
