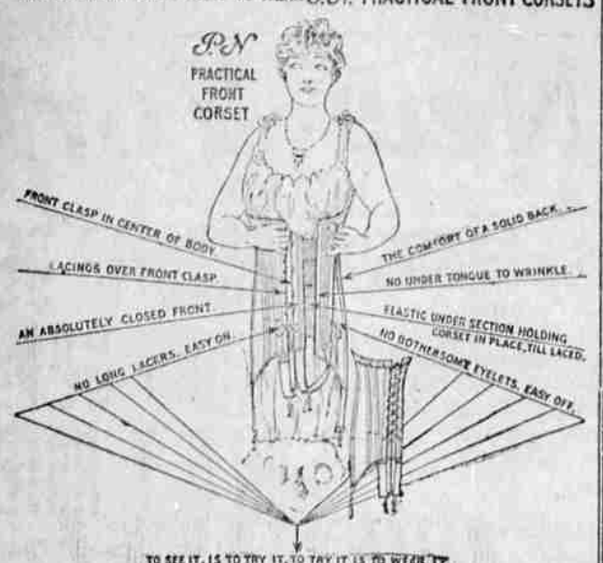
REASONS WHY YOU'LL WANT TO WEAR P.N. PRACTICAL FRONT CORSETS



Are you like the woman who knew that *she wasn't going to enjoy a certain show, even before she went, because it wasn't like Grand Opera, or do you see first and comment afterwards?*

P. N. Practical Front Corsets

are different. They are new! Won't you look at them and then comment? We know if you see them you'll want to be convinced and you'll wear them.

A combination of both a back and front lace corset, they have kept their good points and eliminated their faults.

You have been looking for a corset with adjustment in the front, with the front clasp and lacings coming in the center and not under the bust as in the present way of making lace front corsets.

They are here to stay so get to know them at once.

Union Beats Enterprise 7 to 0; Baker Downed by Boise; Milton Team Lost

Pendleton Trounces Athena 26 to 0—Gets First Advantage in East Oregon Grid Race.

(By Observer Sports Editor)

While La Grande high remained idle Saturday, the greater number of Eastern Oregon teams swung into action for the first time. Pendleton defeated Athena 26 to 0, Walla Walla high trounced Milton-Freewater 44 to 0, Boise beat Baker 7C to 0, and Union took Enterprise's measure 7 to 0.

Baker's defeat, overwhelming, gave little promise that the Queen City lads would be a factor in the championship race. Pendleton's victory clearly indicated that the Buckaroos are again favorites for the title with La Grande and Hermiston as probably their only stumbling blocks to overcome. Milton-Freewater, touted as a strong team, lost heavily to the Walla Walla squad and on the strength of the showing made by the McLaughlin bunch, they should present no impenetrable block to Pendleton and La Grande. Although Union won from Amenime's proteges, neither team showed strongly. Wallowa, yet untried, may prove a dark horse. In their opening game two weeks ago they beat the Alumni 12 to 6.

Simmers Down.

Unless some upset occurs, the fifth race begins to appear to be between Pendleton and La Grande with Hermiston as a third contender. La Grande is yet untried and may or may not be able to stop the Bucks here October 27. Before meeting Pendleton they must play Union and Milton-Freewater. But the writer predicts that, unless La Grande shows real strength, Pendleton will have little trouble in taking the championship.

Pendleton Takes Athena.

PENDLETON, (Special) — The Buckaroos won their first game of the season 26 to 0 against the strong Athena team here Saturday. Although the Athena men fought gamely, they were unable to score against the stronger Pendleton eleven. The game was played in a drizzling rain.

Enterprise Loses to Union.

UNION, (Special to the Observer) —Union opened her 1923 football season Saturday afternoon by trimming the Enterprise high school team 7 to 0 in a game played on a wet, muddy field in a steady downpour of rain. The Enterprise team, faster but lighter, were unable to stop the Union backs who made several gains around end and through the line. Enterprise backers are of the opinion that had the game been played on a dry field, the score would have told a different story.

First Quarter.

Union kicked off to Enterprise who failed to make first down. Union fumbled and Enterprise made 5 yards around left end. A fumble lost 10 yards for E. H. S., who punted 20 yards to Enterprise 40 yard line. Union returned with a 15 yard punt. Enterprise punted 35 yards out of bounds. Callihan, of Union, went 20 yards around left end. Union fumbled, Enterprise recovering. Enterprise gained 9 yards on a trick play. Quarter ends scoreless on 28 yard line with ball in Union's possession.

Second Quarter.

Union loses on downs. Enterprise punts 28 yards. Union punts 15, and recovers ball. Union made 8 yards for first down. Starting from Enterprise's 15 yard line, Union made 7 yards over tackle, Gilmore then carrying the ball 8 yards around end for a touchdown. Union converted. Union receives Enterprise kick off. Half ends: Union 7, Enterprise 0.

Third Quarter.

Union kicked off to their 45 yard line. Enterprise punts 10 yards, Union goes 4 yards through line, five yards around end, two yards for first down. Ball in midfield. Union punts 30 yards. Enterprise punts 20 yards from their 20 yard line. Union 5 yards around end, 10 yards through line for first down. Gilmore 9½ yards off tackle. Union six yards off tackle for first down. Ball on Enterprise 5 yard line. Union penalized 15 yards, ball given Enterprise, who punts 10 yards and recovers. Enterprise again punts, this time for 20 yard gain. Union returned with 10 yard punt. Enterprise punts 20 yards to Union's 25-yard line. Union punts 35 yards. Enterprise punts 25 yards. Union gains 20 yards off tackle and quarter ends.

Fourth Quarter.

After an Enterprise punt, Union made first down by a series of plays through the line and around end. With the ball on E. H. S. 3-yard line, Union gains 4 yards, 2 yards, 2 yards, then 4 yards for first down. Within 8 yards of a second touchdown, Union fumbles and loses the ball. Enterprise and Union exchanged punts, the game ending with the ball in Enterprise possession on their 30-yard line.

Strickland, of La Grande, refereed.

Kansas City Wins Flag.

TOLEDO (AP) — Kansas City won the American association pennant for the season of 1923 Sunday by taking both games of a double header from Toledo, the scores being 3 to 1 and 12 to 3. Not in years has there been such a close race in the association to capture the pennant. Kansas City had only to win one game even though St. Paul took both games from Louisville Sunday.

It's Been A Hard Summer On Motor Cars

Never have there been so many automobiles in use as this summer. And every one of them has been driven constantly, mile after mile, day after day, without "time-out" for repairs.

It means that every car will need attention to some extent this fall. Thousands will require their cylinders reground, new pistons, rings and pins.

Portland Resident Gives Amazing Facts

"Fifty years of almost constant suffering from stomach and liver trouble was ended for me by the Tanlac treatment about a year ago, and now I feel like a different woman," writes Mrs. M. Huber, 1021 Tillamook St., Portland, Oregon.

"Ever since I was a girl I had suffered from terrific headaches, nausea, torpid liver, sharp pains in my right side and general weakness, and my condition went from bad to worse, until finally I was almost a physical wreck. The almost unbearable pain and long periods when I could hardly sleep a bit, made me think I would never get well.

"Six bottles of Tanlac rid me of every sign of stomach trouble, stimulated my liver, headaches, nausea and pains in my side suddenly ceased, and I sleep like a baby. In fact, my whole system is like new. Tanlac made me well and keeps me well."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

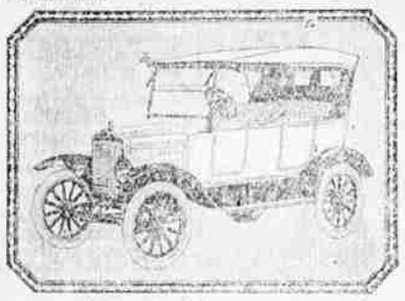
THE UNIVERSAL CAR



New Touring Car

Looking at the new touring car from the side, you are at once favorably impressed with the effect of longer, more graceful lines secured by enlarging the cowl and raising the radiator.

Slanting windshield and crowned top lend material aid in giving the entire car a lower, more stylish appearance.

An apron connecting the radiator with the fender skirts is also a decided improvement.

A comfort feature much appreciated by owners is the additional leg room provided by the enlargement of the cowl.
