BAKER BAND MAY DISBAND

BAKER—For 23 years Baker has been proud of the Baker Concert Band. It seems, however, this pride does not go very deep, and now Baker is confronted with the question of "band or no band" with a probability it will result in being no band.

The support that has been given the band in recent years has not been what it should be. Without support there can be no band, and the members are now considering disbanding. Should this happen it will probably be a long time before another band is organized in Baker.

For 18 years it has been the custom of the band to give the annual dance Halloween night. At the last meeting of the band it was tentatively decided not to give the ball this year.

The question is being squarely put up to the city: Does Baker want a band? If so, support must be forthcoming.

The band members have in the past given unstintingly of their time to the community. Now it is up to Baker what is to be done for the band.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Weyth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

COMMISSION MEET QUIET

At the city commission meeting last evening the time was very largely taken up with routine work. Many ordinances pertaining to the improvement districts were read the second time and the ordinance vacating streets on the east side of the city came up for second reading.

Margaret Alta was denied license to operate a rooming house and the commission decided to have a stern investigation of rooming house operations in the future.
