Bandit—Prohibition
China has a three-mile Bandit Line, paralleling main railway lines. This is observed as religiously as the run-runners' limit in America—Korea.

Simple Mathematics.
To get the exact value of 100 German marks write down the figures

"100," then cross the one and rub the rim off both zeros.—Danville Commercial News.

Screened Humor
Many British play-wrights are said to be turning to the American film versions of their old dramas to glean new ideas for future comedies.—Punch (London).
