WEDDING BELLS AT POWWATKA

POWWATKA (Special)—The marriage of Clarence Walter Lilly, of West Virginia, and Ruby Hilton, daughter of Mr. and Mrs. Jacob E. Hilton, recently took place at the home of the bride's parents, Reverend Fred G. Potter officiating. The bride has lived here for many years and has many friends and relatives at Powwataka. Most of whom were at the wedding and wish the young couple every happiness. Mr. Lilly came from West Virginia about two months ago, by car, accompanied by three other young men, brothers, by the name of Shewchuk.

The young people of the neighborhood gathered at the home of Mr. and Mrs. Hilton, in the evening, for a play party, in honor of the bride and groom.

Mr. and Mrs. Lilly expect to make their home in Wallawa, where Mr. Lilly has been employed.

Mrs. George Coleman received word today that her mother, Mrs. Joseph Davidson, aged 84, died yesterday in San Diego, where she has been living for the past two years.

Floyd, Joe and Jimmy Hilton were home from Wallawa and the Bowman Hicks lumber camps, to attend the wedding of their sister, Ruby. They returned to their place of employment today.

The Rainier Apple

The Apple to Plant for Profit

In our sincere judgment this is the finest dessert apple thus far developed. It has all the mild qualities of the Delicious, which commends it to the taste of those who cannot eat the more acid apples, and, in addition, it has a decidedly spicy flavor, will keep firm in ordinary storage for weeks without becoming mealy, and in cold storage the RAINIER keeps perfectly for a year.

UNCLE SAM'S VERDICT: "The keeping qualities of the RAINIER APPLE are unsurpassed by those of any other variety of the Pacific Northwest that has yet come to the attention of the U. S. Department of Agriculture. Its ability to retain its firmness, brightness and quality with almost no decay or skin blemish, places it above even the Arkansas Black, Winesap and Yellow Newtown. In 32 degrees Fahr. cold storage it keeps in prime condition into May or later, and instances are known where large numbers of boxes have been held in excellent condition into September of the following year."—Bulletin No. 587, United States Department of Agriculture, Page 34.

We offer first class RAINIER trees for spring planting. Also other standard apples, peaches, pears, plums, prunes, apricots, etc., small fruits, shade trees, shrubbery and roses.
