La Grande Could Have A Very Strong Five

Down Team or League Should Be Organized; Material Plentiful.

By Seneg.
La Grande, for the first time in several years, has more basketball material than would be necessary to form half a dozen good teams. It is a pity that no steps have been taken to organize a team or at least a series of leagues. Basketball men here are often talking organization and considerable during the past few weeks but that is about as far as it has gone.

Last year La Grande had a variety of clubs for the year which were available among them were: "Hills", "Moose", and "The Stars". Basketball men here would do well to take heed of the fact that in a similar situation in other communities, the material is being used up.

La Grande and vicinity are rich in great business. The names here all would be a task too great to list. There is the possible exception of a considerable number of the best of them. Thomas, Smith, the Stoddard brothers, Reynolds, Koenig, Webb, and so on, stand the test of time.

It would be an easy task to organize first a series of teams to play games among themselves for the first few weeks and then at a later date, to play a first La Grande quintet, and play outside teams. A plenty of other towns in adjacent Oregon have organized or are contemplating organization and financial assistance would be not difficult.

Over in Lincoln county, an amateur basketball league has already been formed and players will begin shortly. Why not have a La Grande team to play the winner of this league? Union will be sure to have a team next year. Builders always come out of here, so does North Powder, and the franchise towns usually are represented by a strong amateur organization. Possibilities appear to be unhampered by lack of opposing teams and with players so great that La Grande in a town could put out a five that would be better than for many years, it seems to the writer as if something along the lines of organization should be done immediately. Basketball players, who hot out meeting among yourselves and

Seniors Win Class Title From Sophs

The Seniors class basketball team won the interclass tournament last evening by defeating the Sophomore boys 29 to 12, in an interesting game. Prior to this contest the Seniors defeated the Juniors 29 to 16.

In the contest for the class championship the Juniors won and lost. That is they won the undisputed right to claim class honors but nevertheless they were defeated by the Freshmen by the score of 15 to 6. Not a point was scored by the upper-classmen. Richard Layman and Sidney Zohel made the major portion of points for the Freshmen.

The final standing of the four class teams follows:

Team	GW	GL	Pct.
Seniors	2	0	1.000
Sophomores	1	1	.500
Freshmen	1	1	.500
Juniors	0	3	.000
