#### FORDS POPULAR IN ENGLAND NOW

DETROIT, Mich. (Special)—The Manchester plant of the Ford Motor Company of England Ltd., the largest automobile factory in the British Isles, will produce approximately 20,000 cars during the year 1924, according to a recent report.

While the company was originally dependent on the Ford Motor company in America for parts, the new plant incident on its 216,224 square feet of floor space, complete up-to-date automotive production machinery for every important unit. This the English Ford car, originally a combination of American parts and British assembly, is now 95 per cent British, both in manufacture and materials.

The English company, formed in 1919, began operations in a small factory near London where 250 cars were turned out in the first year. The factory was moved shortly afterward to Manchester, forming the nucleus about which the present mammoth plant em-

ploying 2,200 men has developed.

## NEW THEATER ATTRACTIONS

**Arcade Will Present Legitimate Drama and Symphony Orchestra to La Grande Audiences.**

The advantage of having the new Arcade theatre will be experienced by theatre-goers of La Grande on Monday evening, January 21st when "The Cynical Lover," a popular, comedy-drama of the legitimate stage will be played here. And again on Monday evening, January 14th, when the Kansas City Symphony Orchestra will be heard in the Arcade further appreciation of the new theatre will be felt.

Each the new Arcade appeared La Grande was cut off from the road shows, and not since the days of Steward's opera house has the city been a stopping place for the travelling troupes. Now, however, it is different, for the Arcade can accommodate the road shows and at intervals La Grande will witness performances of the old legitimate drama again. "The Cynical Lover" is said to be a great comedy and its appearance here Monday evening will very likely be greeted with a crowded house.
